## A Mother's Love

Whose is the heart that burst with pride each time she sees your face. Whose are the eyes that dart about, to check your world is safe. Whose are the arms that wrap you up and hold you tight and close. Whose is the love that's always there whenever you need it most.

Whose is the smile that lights the room when you smiling too, Whose shoulder is the place to be, when only a cuddle will do. Whose chest is warm and comforting when you're a weary soul Whose motivation only has your happiness as her goal.

Whose are the tears that cry for you as you grow old and free, Whose is the heart that aches so much, in the space where you should be. Whose is the head that knows that you must find your path alone, Whose is the voice who welcomes you each time you go back home.

Who could have so many facets that make her oh so great, Who has you on her mind each day, and today we celebrate. Whose hands hold and guide you, in a way unlike another,  
All these are part and parcel of the joys of being a mother.

## Southfork Women's Club

---

The Women's Club April meeting was a little later this day, but we had a great turn-out and the ladies came with some beautiful Easter bonnets.

The meeting part was not too long with Sue Keschner talking about getting things organized for the November Bazaar. Sue has everything in hand. The Activity committee is planning a trip to Tarpon Springs on May 1 and there is a sign-up sheet in the Club House. Be sure to check it out and everyone is invited to go.

We had 19 Easter bags and 26 baskets, very well done ladies. Diana and I delivered all the goodies on Monday April 8. Day Star people were very happy, especially with the baskets.

We had to guess the number of jelly beans in a jar and had 2 winners, June Sandberg and Linda Millar. Well done ladies.

Next was the parade of Easter Bonnets and we had some truly amazing hats. Carolyn Dyer was very inventive with sticking the table flowers in her glasses. Carol Albers used so many feathers she could not see where she was going. Karen Franklin used cat whisker to finish her hat. Jean Bittman's hat matched her blouse, not an easy thing to do. Finally, Linda Bialie's hat came armed with a cannon that shot rubber balls. It was a lot of fun, and thanks to everyone who participated.

Finally, it was time for lunch and the Hostesses did an outstanding job. Wonderful food and plenty for all. Thank you Diana, (and her husband Rick) Cathy and Pat.

This is the last meeting until Oct, but there will be all kinds of outings during the summer, be sure to check them out.

Also this will be my last year as President. We will need a new President in January 2020, so spent the summer thinking about who you would like to run or who we can coerced into running.

Have a great summer and see you all again in November

# In Loving Memory

Carol Whitbeck, Mar 31, 2019

Carol Whitbeck spouse of Craig, passed away suddenly on Sunday, March 31, 2019. Words cannot express the loss of Carol to all who knew her. She and Craig were inseparable and worked side by side in all of Carol's endeavors and projects.

One area of Carol's favorites was her quilting and that was without question and she was so involved with all that she did in that area. She also had a passion for her ceramics and they would always be in attendance at the Kumquat festival in Dade City until the last few years when it got too much for her.

Another love of Carol's was the Women's club. She would collect the holiday Easter baskets and the Christmas bags with food. She and Craig were the Delivery people for the monthly meetings of the Women's club with all the donated food which they would take to DayStar. Besides helping out she was also Vice President of the Women's club for a few years and so much more.

Besides all of this she and Craig helped many neighbors without question. Carol loved playing cards and she and Craig were chair people for a couple of years of the Hand & Foot Tournaments. Her other love was the area Auctions and that was a weekly event.

There is so much more about Carol that there would not be enough room to mention all that she did and loved.

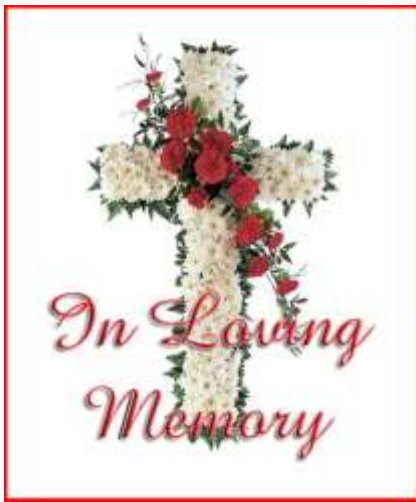

I know Pat & I will miss her for our weekly Tuesday dates at the Breakfast Station.

Carol's passing is such a great shock to Southfork and there is a void that Carol has left that words cannot express.

**Peace be with you Carol and already so missed by all!**

Mary Bolin

Mary Bolin was “Southfork” and was a very giving and loving friend and neighbor who passed away on March 23, 2019.

This article is in loving memory of a woman who was one of the most dedicated women in the history of the Women’s club. She was in total charge of the Charity committee after Shirley Rouer resigned as chairperson and it was a go from then on for Mary. She never missed a month in an entire year that she wasn’t doing something for charity. Besides all of this she helped many neighbors in need, did many errands for them, she was also very active at St Rita’s church and was on many committee’s there and always the first one to volunteer when needed.

Listed below is only a fraction of things she did besides the annual bazaar, soup suppers and these don’t even touch what all she accomplished over the years.....

Backpacks for needy area school children, Love One Another dinner donations, Hernando Hospice, Postage for Troops packages, Daystar donation of food and supplies, Cornerstone for Women, 25 Christmas bags of food for families, Hurricane victims in Staten Island, NY, Adopt a family for Christmas, YMCA, Pregnancy & Parenting group, Diana Coffield/homeless women, Baby Shower for the homeless/needy women of Dade City, each month she would try and schedule a speaker from one of the charities she helped out and so much more.

When Mary & Monte left Southfork for medical reasons it left a void in Southfork that will never be matched by anyone. Mary was a hard act to follow and one of a kind and all communities should have a person in it like Mary.

This was such sad news and I know all of her friends will agree that she is now in a place that one day she knew she would go to and looking down on all of us with her great “smile”.

Peace be with you Mary and missed very much by all your friends and neighbors!

# Why Be a Member of FMO?

**The FMO is the only organization in the State of Florida that watches over the interests of the people living in manufactured homes.**

The Florida Mobile Home Act (Florida Statute 723) was enacted in 1984, in part to address the relationship between the Park Owner and the Homeowner. The legislature recognized that the mobile home owners have certain basic property rights, which must be protected. The legislature also recognized that the park owner had certain rights that needed to be protected. They also are included in the law.

Florida Statute 723 (F.S. 723) is a document that all manufactured home owners should be familiar with. You should all have a copy of it so you can refer to it when you need to. It covers such items as:

- Your Prospectus or offering circular
- Failure of a park owner to provide a prospectus
- Park owner's obligations
- Homeowner's obligations
- Rules and regulations
- Dispute settlements
- Evictions, grounds and proceedings
- Lot rental increases
- Reduction in services, or utilities
- Change in rules and regulations
- And many, many more

F.S. 723, as well as many other statutes, are available on line @ DBPR. Or may be available from the state offices in Tallahassee at the Division of Land Sales, Condominiums and Mobile Homes. By phone (800) 226-9101, or (850) 487-1395. Request the Mobile Home department. Copies of F.S. 723. are available for \$5 each + \$2.05 P&H, from the FMO - see address below.

**For over 70 years, the American Legion Auxiliary has sponsored Poppy Day to remind American's that millions have sacrificed their lives and health to keep our nation strong and free.**

**The poppy which grew wild on the battlefields of Flanders became, in the minds of the doughboys of World War I, a symbol of the sacrifice which they had endured. It had flourished among the shelled buildings and bomb-scarred landscape. Its brilliant red bloom, so much like the blood which had been shed there, became a sign of hope and renewal for those who lived and walked away. For those who would never leave, those who had sacrificed their lives, it was a perpetual memorial to their bravery.**

**American veterans brought home that image and planted it with the Auxiliary where it has bloomed every year for the benefit of those who served America. The Memorial Poppy contributions are devoted entirely to rehabilitation and assistance for veterans and their families. On September 27, 1920, the poppy became the official flower of The American Legion family to memorialize the soldiers who fought and died during the war. In 1924, the distribution of poppies became a national program of The American Legion.**

**Led by the American Legion Auxiliary, each year members of The American Legion Family distribute poppies with a request that the person receiving the flower make a donation to support the future of veterans, active-duty military personnel and their families with medical and financial needs.**

**Poppy Day is celebrated in countries around the world. The American Legion brought National Poppy Day® to the United States by asking Congress to designate the Friday before Memorial Day, as National Poppy Day.**

**On May 25, wear a red poppy to honor the fallen and support the living who have worn our nation's uniform.**

### **The Ultimate Sacrifice: A Memorial Day Poem**

We set aside Memorial Day  
Each and every year  
To honor those who gave their lives  
Defending what we hold dear.

In all the dark and deadly wars,  
Their graves prove and remind us,  
Our brave Americans gave their all  
To put danger far behind us.

They made the ultimate sacrifice  
Fighting for the American way;  
We admire them and respect them  
On every Memorial Day.

From Tom Robinson

I want to thank all the people who helped with monthly breakfasts over the last few years and I appreciated all your help. WE had a lot of fun.

A special thanks to Bob Elder without his help I would not have been able to do it the last few years.

Thanks to the HOA board for the gift card.

We have some new people taking over, please give them your support as I think they will do a great job. Also thanks to Phyllis for the nice article in last month's newsletter.

THANKS AGAIN!

## IN MEMORY OF MY MOTHER"

My mother was very young when she married and started a family, she was kept very busy raising my sister, brother and me and taking care of a 2 story home and beautiful flowers and kept up yard..

She and my father raised a huge garden planting corn and peas in a row, then came tomatoes and cucumbers and lots of veggies to hoe.

My mother sewed and made our clothes, canned veggies from the garden and made her own soap. She washed on a washboard, along with the wringer washer which was really cool back then.

Mother never complained as she hung her wash on a clothesline in the yard, (whites, colors, jeans, towels and sheets & the misc items) and all co-ordinated on the lines and she cooked us delicious meals never saying she was just too tired. Everything had to be ironed and perfect whether it be dust cloths, under clothes, bedding and all the clothes.

Her pies and cakes all were from scratch the chocolate icing was so good and the homemade bread and pizza was to die for. She made the best spaghetti and meatballs and all the neighbors would get a taste and I have tried to do all she did but so far it seems I never could.

The dried apples and preserves, sugar cookies and special treats were given to us on Saturday evenings and after sleigh riding we were treated to hot chocolate not like todays packaged hot chocolate. All these were winter treats to sample them again, would be in a dream.

Mother has been gone for many years and I miss our time together every day, our one on one chats is so missed.

If only she could visit again but she has gone to heaven to stay and helping me in my thoughts today.

**Horse Race Derby, held on Sat Apr 13, 2019....Photos taken by Carol Melia and Linda Bailie**

Thanks so much to all the organizers and the cooks for your hard work. Food was great and more than enough for all. We had a full house and the excitement of the race was really the icing on the cake so to speak. There were a total of 7 races with 6 horses with Jockeys and Jockettes. Lot of challenge and all young horses!!!! What a fun time and there some heavy better and winners overall. The Owners of the "Horses" were really cheering on the riders of each horse and made the challenge even more exciting. Great evening for those who could not make it.

Just a reminder that all jobs serviced in the community is the responsibility of each resident and does not in any way reflect on the Southfork management.
