Dear Friends and Neighbors,

Hello, hope this finds all well with everyone. Hard to believe it is August already. The heat this summer has been brutal, please stay hydrated during the heat of the day.

# August

August, the eighth month of the year & the sixth month of the Roman calendar. The Romans called the month *Sextilis*, which means sixth. Eight years before Jesus was born the name of the month was changed to August in honor of the Roman Emperor Augustus Caesar, because many important events in his life happened around that time of year.

August has two birthstones: peridot and sardonyx. Peridot is among the oldest known gemstones and is green in color. Sardonyx, which is lesser-known, is a white- and brown-banded gemstone once believed to have mystical powers.

The official flower for August is the gladiolus. These vertical-growing flowers were named from the Latin "gladius," meaning a sword.

Fans of Elvis Presley mourn each Aug. 16th, the day the famed singer died in 1977.

On Aug. 24th in 79 A.D., the volcano Mount Vesuvius erupted, destroying the city of Pompeii and others.

People born in August fall under the sun zodiac signs of Leo and Virgo. Leos are known to be dramatic, creative and outgoing. Virgos have acute attention to detail and are the people most likely to dedicate themselves to serving. They also are loyal, hardworking and analytical.

On Aug. 21, 1911, the Mona Lisa was stolen from the Louvre Gallery and not recovered for two years.

Although civil rights activist Martin Luther King, Jr., is honored in January, when he was born, he is best known for his famed "I have a dream" speech, which was given on Aug. 28, 1963.

Some famous people born in August include Martha Stewart, Martin Sheen, Jeff Gordon, Deion Sanders and Halle Berry.

The month of August is often referred to as the "dog days of summer" but not because of pet pooches. It has to do with the star Sirius, also known as the dog star, which rose at the same time as sunrise during the month of August in ancient Roman times.

## **Notes on Hurricane Season 2019**

*by The HOA Emergency Preparedness Team*

We are now well into the 2019 Hurricane Season, which runs until about November 1<sup>st</sup>. So far, we have been lucky. One major storm was spotted in the gulf area but never developed into a threat.

However, as sure as we have to pay taxes each year, we know **STORMS ARE COMING OUR WAY!**  
Another sure thing is that **WE WILL HAVE VERY LITTLE NOTICE!**

So, the time to plan is **NOW!**

You do not have to be Nostradamus to realize that when the storm is approaching, the following will also occur:

- **There will be long lines at gas stations. You may not be able to fill your tank. Recommendation: keep it filled, just in case.**
- **Walmart & other retail stores will run out of bottled water. Recommendation: Buy it now**
- **You will not be able to find batteries or flashlights. Recommendation: Buy them now**
- **Canned goods will disappear from the shelves too. Recommendation: Buy them now**
- **Local hotels and maybe hotels in the immediate area will not have rooms available. Recommendation: Start thinking about whether or not you will need to evacuate and MAKE A PLAN NOW!**
- **You will not have much time to prepare your home for the coming storm – removing items from the yard, etc. Recommendation: Start now. See below if you need help.**
- **NOW IS THE TIME to think about qualifying for Polk County Special Needs Program. If you have medical restrictions, are on oxygen, or have other medical issues which restrict your activities, you may qualify. Recommendation: Contact a Team Member for help**

These are only a few of the things you can expect. Some of you have been through previous storms and may have a plan. We have many new residents who have not and may need help.

The HOA's Emergency Preparedness Team was formed in 2018 to provide information and assistance to residents.

We have distributed a shelter listing and other useful information to all residents.

We have also distributed Hurricane Lights to everyone. (see 'update' in this issue)

The Team has a Volunteer Plan to help you. This was outlined in last month's issue of Gator Tales.

If you need help or have questions, **CALL ONE OF US!**

## Update on Spectrum Hurricane Lights

Last month we reported that Spectrum Bay News 9 had donated enough Hurricane Lights and brochures for all residents of LHV.

The HOA's Emergency Preparedness Team has distributed Hurricane Lights and brochures to everyone currently at LHV.

When the Snowbirds return, we will make sure they all receive one too.

It is possible that we may have missed some people, especially if there was nowhere to leave the light or we could not determine if anyone was home.

**IF YOU NEED A LIGHT**.....contact Dave Graham of the Emergency Preparedness Team at (863)353-7989 or [davemg1@outlook.com](mailto:davemg1@outlook.com). We will get you one.

Thanks to Lori Johnsen and team members who helped with distribution.
