From Harry's desk

Well I guess by now we have become somewhat resolved that using the clubhouse for community activities may be a long time in coming. The park owners have made this decision based on keeping our community as virus free as possible and as far as we know right now, we are virus free.

We can still get together as visiting others and or walking groups. Do not forget the pool is available for your swimming and visiting pleasures and the pavilion for small gatherings. Perhaps if you have made some new friends on your street you may want to venture to another street and make more friends.

I understand that the "Florida Heat" is having an effect on our social gathering opportunities. Keep in mind that it won't be that much longer until the long sunshine days will be ending and then we will be able to complain about something else.

Please remember to follow the "safety" guidelines wherever you are in the park, and especially when you are out in the world.

It is always a pleasure for me to see in the social media for our community that when someone has needed prayer for whatever they are struggling with that so many respond. I think that because it works so well here that we find time to pray for everyone who is in any kind of need anywhere in the world. It is not like the world and our country does not need it.

Pray that whatever the "new normal" is that we will have no trouble adapting.

Please do not wait until it is too late to make hurricane plans and preparations

For those of you still traveling, stay safe and have a good time AND those who are not, stay safe and have a good time

Harry Gerrish

# Southfork Women's Club

We would like to thank everyone for their generous donations to our food drive for Day Star Hope Center. Our members donated a total of \$240 for this cause. When you add this to the \$200 that was donated from the club, we were able to present checks totaling \$440 to the very appreciative ladies at Day Star Hope Center. This is in addition to a whole carload of non-perishable food items. Needless to say, they were overwhelmed with this donation in a time of extreme need.

Since we are still practicing social distancing, we are unable to do the charity July 4<sup>th</sup> pool party this year.

But let's focus on the positive and continue doing the food drives for Day Star Hope Center each month. If you could contribute the two non-perishable food or personal items that you would normally bring to our meetings, we can make a difference. We ask that these donations be brought to Marcia Alexander, June Sandberg, or Jackie Morgano. Then we will collect all the items and take them with a \$200 check (from the club) to Day Star Hope Center monthly.

Marcia lives at 11018 Mesquite Drive

June Sandberg lives at 11054 Ewing Drive

Jackie lives at 11025 Ewing Drive

Donations are requested by the first of the month. If you would like to make a monetary donation, that would also be appreciated.

We would like to thank all of you for your generosity during this difficult time!

## Flag Day, Sunday, June 14, 2020

What an awesome tribute to such a special day. Thanks to all who were in the parade and show that Southfork is very patriotic.

How many of you read about something new in the recycling area in the May newsletter?

## Please read below what all can be included besides cans

Norm Conaty (our Can Man) has placed a box down by the "Big Alum Can Box" for more recyclable items.

This would include any <u>Metal scraps</u> and also (<u>APPLIANCES</u>) and the "Can Man" will take them to market.

# Yes, you read right, he will take appliances! This includes all appliances including Washers, Dryers, Grills, Air Conditioners.

If anyone needs help in bringing these appliances down to the back area or any questions on anything you are not sure he will take, call Norm Conaty @ 813-830-8842

This is a big plus for all the residents and helpful ways to get rid of appliances that cannot be placed out with regular trash. Kudo's to Norm for this fantastic idea.

As you all know we have a few Southfork groups on

Facebook and would like to describe each and hope all of Southfork joins these groups. All the groups are a closed group which means no one outside of Southfork can view or post any info. Welcome all Southfork!

### (Southfork Dade City MarketPlace)

For the selling and buying and borrowing of Household Items, Items need to buy, Loaners for (Wheel Chairs, Walkers, Canes or anything to help someone in despair), Handmade Items for sale, Household help such as (house cleaning, yard work needed etc). You can list known yard sales in the area, estate sales and these are just a few to mention. Whatever you want and don't know where to buy, sell or loan this is our own community MarketPlace post for all.

### (You know you are from Southfork when)

This is our way of communicating between each newsletter and a chat group. It's a place where we keep everyone updated on current events here in the park. Management also uses this group along with mass emailing for any important items they want everyone to know about and some examples are water shutoffs or any closings, or anything pertaining to the park. <u>That is the reason I ask for all</u> <u>email addresses and use it for "Southfork"</u> <u>only. When anyone passes away I also use</u> <u>this to inform all.</u>

#### (Southfork, Fl growing up)

This was made for all who like to remember growing up and reliving all the old time memories. From early childhood to teens and what we liked and that includes games, food you ate, school years and so much more. Takes you mind off today's world and takes us back to our growing up years.

### Southfork Vendor Listings

This group basically lists vendors in our local area that we can call for work around the home or some emergency we need help on. Please feel free to add any that you use and that might be helpful to all!

You can search in facebook for each of these groups and click to join and you will be added in. <u>Again just community residents can join</u> <u>these groups.</u>

Any questions send me a message at pkaygrossi@aim.com or give me a call at 352-567-6105

Just a reminder that all jobs serviced in the community is the responsibility of each resident and does not in any way reflect on the Southfork management.
