“FOR THE RESIDENTS, BY THE RESIDENTS”

Have a great month!

December 2020

'Twas A Florida Christmas

'Twas the night before Christmas and all through the town, no noses were frozen, no snow fluttered down, no children in flannels were tucked into bed, all wore shorty pajamas instead.

To find wreaths of holly, t'was not very hard, for holly trees grew in every back yard. In front of the houses, Dads and Moms were adorning the bushes and coconut palms.

The sleeping kiddies were dreaming in glee, hoping to find water skis under the tree. They all knew that Santa was well on his way, in a Mercedes-Benz, instead of a sleigh.

And soon he arrived and started to work, he hadn't a second to linger or shirk. He whizzed up the highways and zoomed up the road, in a S-L 300, delivering his loads.

The tropical moon gave the city a glow, and lighted the way for old Santa below. As he jumped from the auto he gave a wee chuckle, he was dressed in Bermudas with an Ivy league buckle,

There weren't any chimneys, but that caused no gloom, for Santa came in through the Florida room. He stopped at each house...stayed only a minute, emptying his sack of stuff that was in it.

Before he departed, he treated himself to a glass of papaya juice upon the shelf. He turned with a jerk and bounced to the car, remembering he still had to go very far.

He shifted the gears and stepped on the gas and up Highway US 98 he went like a flash. And I heard him exclaim as he went on his way, "MERRY CHRISTMAS Y'ALL, I WISH I COULD STAY!"

Each month in the newsletter there will be a listing of people celebrating birthdays. I will also list Facebook members in our Southfork Facebook page so please forward to me at pkaygrossi@aim.com the month/day of any birthday.

This is a listing of contacts in case you have any questions for any of the Managers or Groups. So many times a question or thought comes up and you do not have a contact name or phone number for here in Southfork so thought this would be helpful.

From Harry's desk

Guessing that you will be reading this near the beginning of December and remember it is being written near the middle of November. This creates a few problems when giving a report or information, but here goes what is printable today

The clubhouse is open. It comes with restrictions: masks and social distancing along with the fact that we are only allowed to have fifty percent of the allowable capacity to be in there at the same time. This greatly curtails what can be scheduled there.

The board will be meeting on November 16th in the clubhouse at 9 AM
The HOA meeting site has yet to be determined but it will be held on November 23. We will let you know the where and time after the board meeting.

Have a shout out or two:.....June Sandberg and her activities group for putting on a really great welcome to Southfork for our new residents. There were 66 or so in attendance and everyone had more than a good time, and enough to eat. Thanks again Activities.

To the Tardona's, Lou and Penny, or Penny and Lou for a fantastic salute to our Veterans. The flags looked great, the snacks were great, and yes, so was Lou's singing. They told us they would be back for Memorial Day. Thank You for helping us salute our veterans.

It was great to see a group of shufflers, men and women using the facilities in the early evening. Do not know if they have a schedule or it just happened, so ride by occasionally to see if they are there, then stop and join them. Do not forget that the pavilion games are also available for just stopping by and enjoy some horseshoes, bocci ball, or just sitting and talking.

Thanks to those who are supplying donuts in the morning. Hopefully the HOA will be making some good changes after their board meeting. You will probably know before you read this.

Do not hesitate to contact Ron White (716-432-2129)our vice president and entertainment chair person if you become aware of activities in other areas of our state that might be interesting to those looking for something to do. He as been posting things at the pavilion and in the clubhouse for you to think about.

We know the Covid-19 is not going away anytime soon so we must continue to be as safe as we can with each other. Please respect each others methods of the way they handle it.

Stay safe, be happy and enjoy living here in Southfork.

You can contact me at 352-458-0055

Diane Unger has once again agreed to deliver the Christmas stockings our members donate to needy kids. Please make these stockings generic so they are suitable for a boy or a girl. They need to be dropped off to Diane Unger (38719 Brahman Drive) between November 16th and the 30th. Please call her before dropping them off to make sure she is home and they don't get ruined by ants sitting on her doorstep.

I know this has been an unusual year and we have asked for a lot of donations to help those in need. Our members have always answered our pleas for help and we all should be very proud of what we have done. June, Jackie, Dot and I want to personally thank each and every one of you for your generosity!

Thank you for all your generosity!

Veteran's Corner

By Penny Tardona

This month's Southfork Veteran in the spotlight is PJ Williams.

United States Navy, 1967-1971

United States Army, 1974-1978

PJ grew up in Appleton, Wisconsin. As was the experience of most young men of the Viet Nam era, PJ chose to join the Navy rather than wait to be drafted. After completion of Basic Training, he attended Quartermaster (QM) school in Newport, Rhode Island, graduating at the top of his class. He was assigned to the USS Deliver, ARS-23, a salvage and rescue ship. Unfortunately, there were questions about where the ship was so PJ chased the ship from the Philippines to Perth Australia then Hong Kong, eventually finding the ship in Taiwan! What an adventure for a young man straight out of the Midwest. After three years on the ship, PJ decided the Navy wasn't for him and headed home to civilian life. He worked numerous jobs, including Disney World before getting the itch to return to the service of his country. The Army was more than accommodating so in 1974 he shipped out to Ft. Leonard Wood, Missouri followed by training at Ft. Gordon in Georgia where he learned to copy Morse Code, again graduating at the top of his class and advancing to Spec 4. Upon completion of training, PJ headed to Germany where he worked at both the 141st and 123rd Signal Battalions. Around that time, he met a pretty, young woman who we all know as "Bert". They had a year long, long distance courtship which culminated in a proposal via mail! (Such a romantic guy!) PJ transferred to Ft. Lewis, near Tacoma, Washington as a Staff Sergeant where Bert joined him. Eventually Bert declared "I need the sun!!!" so they decided to leave the Army, but PJ continued supporting the military while working as an Electronic Mechanic and Designer at the Philadelphia Naval Shipyard. He followed that by working with General Dynamics in Chesapeake, Virginia and is still called upon as a consultant for programs deploying UAV's (Unmanned Aerial Vehicles) on Navy Aircraft Carriers. PJ and Bert became residents of Southfork in 2017.

Southfork Veteran Celebration

By Penny Tardona

On the eleventh month, on the eleventh day, on the eleventh hour, the residents of Southfork gathered to honor Veterans who reside on this property. With Hurricane Eta bearing down on us, we were uncertain if we were going to be able to pull it off but in true Southfork fashion, a strong sense of patriotism prevailed and the residents began arriving at the Pavillion. The pledge was made and the anthem was sung. Lou Tardona spoke about the history of Veterans Day to include the inception of the Army, Navy, Marine Corps, Coast Guard and Air Force. He even briefly touched upon the recent addition of the Space Force. Service songs were played and in spite of the average age of the attendees, some of the words were even remembered!! We closed the program with a lively singing of “God Bless the USA” followed by refreshments. Thanks for all those who showed up, it’s important to honor those who chose to serve this great country. Thanks also to those who supported and helped behind the scenes.

NO FMO NO FS 723

WHY?

1. Residents would fall under FS 83, The Landlord and Tenant Act.
2. There would be no support for HOAs
3. There would be no power to negotiate with park owners
4. You could be evicted with a 7-day notice.
5. Rents could go up with a 30-day notice every 60 days.

Keep in mind: The FMO is an organization in the State of Florida that monitors and advocates for the rights and interests of manufactured homeowners living on leased land.

Through FMOs involvement, the Florida Manufactured Home Act (Florida Statute 723) was drafted and enacted in 1984. It addresses the relationship between the park owner and homeowners of manufactured homes on leased land. The Florida Legislators recognized that manufactured homeowners AND park owners both have certain basic rights that must be protected.

The FMO and FMHA (parks owners) frequently submits changes to FS 723. FMO has had a huge impact on proposed legislation by opposing harmful proposed changes through negotiations. You may go to Google and type in " FS 723" to receive the latest copy.

FS 723 covers such items as:

1. Your Prospectus
2. Park Owner's and Homeowner's Obligations
3. Rules and Regulations and changes
4. HOA and Bylaws
5. Dispute settlements
6. Evictions, grounds, and proceedings
7. Lot Rental Increases
8. Reduction of services or utilities

Management also uses this group along with mass emailing for any important items they want everyone to know about and some examples are water shutoffs or any closings, or anything pertaining to the park. *That is the reason I ask for all email addresses and use it for "Southfork" only. When anyone passes away I also use this to inform all.*

AND THEN IT IS WINTER:

You know, time has a way of moving quickly and catching you unaware of the passing years. It seems just yesterday that I was young, just married and embarking on my new life with my mate. And yet in a way, it seems like eons ago, and I wonder where all the years went.

I know that I lived them all.....

And I have glimpses of how it was back then and of all my hopes and dreams...But, here it is, the winter of my life and it catches me by surprise...How did I get here so fast? Where did the years go and where did my youth go?

I remember well...seeing older people through the years and thinking that those older people were years away from me and that winter was so far off that I could not fathom it or imagine fully what it would be like...But, here it is...my friends are retired and getting gray...they move slower and I see an older person now. Many are in better shape than me, but, I see the great change...Not like the ones that I remember who were young and vibrant, but, like me, their age is beginning to show and we are now older folks that we used to see and never thought we'd be.

Each day now, I find that just getting a shower is a real target for the day! And taking a nap is not a treat anymore...it's mandatory! Cause if I don't on my own free will, I just fall asleep where I sit!

And so, now I enter into this new season of my life unprepared for all the aches and pains and the loss of strength and ability to go and do things that I wish I had done but never did!!!

But, at least I know, that though the winter has come, and I'm not sure how long it will last, this I know, that when it's over..its over...Yes, I have regrets. There are things I wish I hadn't done...things I should have done, but indeed, there are many things I'm happy to have done. It's all in a lifetime...

So, if you're not in your winter yet, let me remind you, that it will be here faster than you think. So, whatever you would like to accomplish in your life please do it quickly! Don't put things off too long!

Life goes by quickly. So, do what you can today, as you can never be sure whether this is your winter or not!

You have no promise that you will see all the seasons of your life...so, live for good today and "Life is a gift to you." The way you live your life is your gift to those who come after. Make it a fantastic one.

LIVE IT WELL!!!...ENJOY TODAY!!!...DO SOMETHING FUN!!!...BE HAPPY!!!...BE THANKFUL!!!

RECYCLING

Glass is not accepted in Southforks Recycling Collections on each Wednesday

Just toss your recyclables into one empty bin and see the list below of what can be recycled! Trash haulers have a 90-day transition period to implement any schedule change.

Since there is no resale market for recycled glass in Florida, and broken glass contaminates the recycling stream – glass will no longer be accepted in our recycling program. Please toss your glass in the trash bin where it will be sent to Pasco's Waste-To-Energy facility, leaving even less of a carbon footprint than it would in a landfill.

“This increase in service is a reflection of Pasco County’s commitment to future sustainability and to our citizens,” said Solid Waste Director John Power. “Though removing glass may seem counter-intuitive, it increases the overall reuse of collected materials, eases processing and maximizes our positive environmental impact.”

YOU CAN RECYCLE:

1. Aluminum Cans
2. Cardboard
3. Paper
4. Plastic Bottles and small containers
5. Metal food cans

YOU CANNOT RECYCLE ITEMS LISTED BELOW:

No Plastic Bags, No Glass, No Styrofoam, No Milk or Juice Cartons, Nothing Wet & Dirty

Just a reminder that all jobs serviced in the community is the responsibility of each resident and does not in any way reflect on the Southfork management.
