A Message from the President . . .

Dear Friends and Neighbors,

Hello to you all, I hope this message finds everyone well and staying safe. I hope you are all enjoying the warm temperatures we are experiencing.

The emergency prep committee has been meeting monthly in preparation of the hurricane season we are in. I would like to take this opportunity to thank this committee and all their members for all they have done. They have purchased Radios to be used in the event of an emergency. We all need to do a walk around our homes and make sure we are ready in case we do experience a hurricane this season. It is always better to be prepared.

It is nice to see that the calendar in the Gator Tales is filling up, with that we do have an issue that needs to be addressed. I would suggest that each group that meets would appoint one person to check the security of the clubhouse. It has been brought to my attention that the side door has been left open, fans and lights left on, and water running in bathrooms. If each group could make sure that the above items are checked before leaving the clubhouse, that would be great. I would like to thank everyone in addressing this problem.

Please feel free to contact me or any board member with any questions or concerns. And remember, remain safe! Again, thank you for your support and confidence. See you out and about.

Respectfully,
Jerry Sibila

ANNOUNCEMENTS:

Paint Classes

Just a reminder - our paint classes are back in full swing. They will be held the first Wednesday of every month at the clubhouse from 1:00 - 3:00. We try to have just 2 people per table to help with some social distancing and masks are requested for those who have not received their vaccine. The price is the same, \$20 per person with all supplies and instructions provided by our instructor, Sherri.

I try to post a reminder a few days before the event in our Facebook page but realize not everyone has Facebook. If you want to attend it's helpful to let me or Shelly know - just so we make sure Sherri has enough supplies. But please come even if you forget to let us know. We usually always have room. Come join us for some fun and visiting.

PRAYER GROUP

We are starting a prayer group that will meet once a month. The first meeting will be on Tuesday, **August 17, at 6:30pm** in the clubhouse. All denominations are welcome.

During each meeting we will look at the psalms through prayer and discussion. We will also pray for the special needs of our friends and family and share positive stories of how God has touched our lives. The goal is to have a prayerful, uplifting and inviting community experience.

If you have any questions, please feel free to call or text me at

Medicare 101

October is the start of Medicare Open Enrollment time.

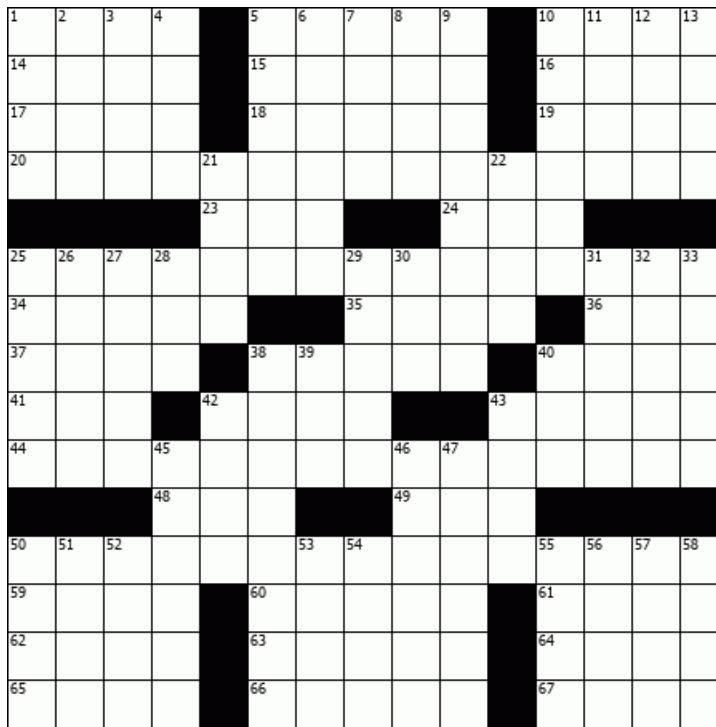

- Are you sure your plan has given you the best coverage?
- Do you know all the options available to you through the insurance options?
- Do you know the difference between a Medicare Supplemental Plan and a Medicare Advantage Plan?
- Have you been a little confused trying to sort through the whole Medicare system?

Then you need to save the date, October 13th, 1:00 PM at the clubhouse for a short seminar called, "Medicare 101". We've lined up David Brown again to help us all sort through these questions. He does **not** represent any one company, he's **not** a salesman trying to sell you a policy, he **is** knowledgeable insurance broker who can help us all sort through these questions. He has the whole afternoon dedicated to us, so after the short 25-30 minute informational session he will stay and meet one-on-one with anybody who desires some personal help. Additionally, he can make an appointment to meet with you at a later date if that's your desire.

More information to come as the summer ends. Thanks, feel free to contact me with any questions. Joyce Middleton

FUN FACTS: AUGUST

Birthstone: Agate or Onyx

Flower: Gladiolus or Poppy

Zodiac signs: Leo and Virgo

History:

In the original Roman calendar, the month of August was called Sextilis. Later, after January and February were added to the calendar, it became the 8th month of the year. At the time the month had 29 days. When Julius Caesar created the Julian calendar in 45 BC, 2 days were added giving the month 31 days. The month was later renamed Augustus in honor of the first emperor of Rome, Caesar Augustus.

Bruce and Marge Love
192 Glen Este Blvd.
Resident since 2015

Bruce and Marge have been married for 56 years and were married in Rockford, IL November 19, 1965. They have 3 children, 1 son Brucy, and 2 daughters Jenny and Nettie. Bruce and Marge also have 6 grandchildren and 11 great-grandchildren and expecting 3 more. They also have their special love, Molly which they have had since she was a puppy.

Bruce and Marge had travelled to FL yearly as they had a time share in Kissimmee. After retirement they decided to look for a place to come during the winter months as "Snowbirds". Visiting other parks, they saw a notice for a place to rent in Lake Hammock Village. They rented and found everyone friendly and welcoming. They looked at 192 and purchased their new home. Deciding they did not want to maintain 2 homes, and loving the weather, they came to live full time at Lake Hammock Village.

Bruce was a firefighter for the city of Rockford, IL and the Chief of the volunteer department in Monroe Center, IL. Bruce was also a Paramedic. One fire he will never forget, was taking a 5-year-old boy out of the house that had passed. Bruce brought him back to life, and the "Hero" made the front page of the newspapers. Bruce also was a paramedic for the county jail. He worked with a doctor and conducted physicals for the prisoners. He stitched-up John Wayne Gacy a convicted serial killer. Gacy was being lodged in the County jail. John also gave Bruce his "famous" corn dish recipe. Bruce also worked for Western Vinyl & Leather Repair. He repaired vinyl and leather for various chain restaurants for 10 years. He then started his own business, "Love's Vinyl & Leather Repair". Bruce and Marge owned the business for 25 years. Marge doing the invoicing and financial end of the business. Bruce did the repair work.

Marge attended Beauty School and was a stylist outside their home, until she had her first child. Bruce and Marge built a small shop in their home, where she worked for a few years. Marge worked in and out of the home depending on the activities of her children. She went to work outside the home when Bruce sustained a back injury, and was unable to work. Marge worked as waitress until she could not attend an event with one of her daughters due to work and immediately quit. Marge also worked for school book fairs, until the company moved. Her favorite job then was at "Wicks & Sticks" where she worked for 9 years. Her last job was head teller at Stillman Valley National Bank for 10 years. She would train all the new tellers at the 4 branches. She retired when Bruce retired in 1996. Marge also was the secretary/treasurer for the Volunteer Fire Dept.

Bruce and Marge have travelled the United States where Marge was able to visit Hawaii. They also travelled to the Bahama Islands and Cancun, Mexico. They both are now happy to vacation visiting family. Some of their fondest memories are the trips with the high school band. They accompanied the students as chaperones; to NYC, Niagara Falls, Washington DC. And twice to Disney.

Bruce is a Chicago sports fan, watching the Bears and Cubs. They both enjoy retirement and relaxing. Marge says the coffee is always on so stop and visit.

Betty Sellers
118 Silver Crest Drive
Resident since May 2021

Betty was born in Upland, PA and lived most of her life in PA before moving to Delaware. She has lived in Pennsylvania, Delaware, Indiana and now Florida. Betty attended Faith Bible Institute and obtained a certificate/ diploma in Bible Studies.

Her faith is how she lives her life. Her "Spiritual buddies" are considered her friends. She started a ministry with one of her spiritual buddies, visiting the home bound and providing them with information about faith and salvation. That ministry continues.

Unfortunately, Betty and her children's father divorced after 25 years of marriage. Betty has two children, Wm Craig Watson and Lisa Helene Peters who live in Indiana. She has been blessed with seven grandchildren, ranging from age 31 to 4 years of age. Two of her grandchildren were adopted from China. She is also looking forward to another granddaughters wedding in the near future.

After 5 years as a single woman, Betty met and married Edward L. Sellers, Jr. They were married for 25 years. In August 2020, the Lord called Edward home to heaven after suffering from Alzheimer's for 5 years. She praises the Lord in the gentle way he took Edward to Heaven. Psalm 116:15 KJV. "Precious in the sight of the Lord is the death of his saints".

Betty worked for Westinghouse Electric for 18 years, BT&D (British Telecom and Dupont) for 5 years and Agilent Technologies for 20 years. She was a paymaster at Westinghouse, and an Executive Assistant at BT&D and Agilent. She retired in 2014 and moved to Indiana to be near her daughter and grandchildren.

In December 2020, her son Wm Craig retired to FL and invited Betty to live near him in Davenport. Betty and her son found Lake Hammock Village. Her son and daughter-in-law have been key to fixing and painting her home.

Betty has found the residents at LHV to be very friendly and helpful. She enjoys attending Wednesday morning coffee. She says she has learned a lot about the area and places to shop and explore by attending coffee.

Betty watches the Philadelphia Eagles and surprises people that she knows the plays etc. Her husband enjoyed quarter back #9. When her husband was ill and in the hospital she took a stuffed cat (that looked like their cat Gracy) and put a #9 jersey on the stuffed cat. Her current companion is a kitty called Mercy. Betty says everyone needs Mercy and Grace. She adopted Mercy from a local humane society.

Her home displays the end tables that her husband built. He was an active wood worker and built matching pieces but they were too large to enjoy in her smaller homes.

She is thankful and praised her Lord for walking with her through life with its ups and downs. Nahum 1:7 "The Lord is good, a refuge in times of trouble. He cares for those who trust in him."

Betty invites the residents of LHV to visit her at home and meet her companion "Mercy". Tea or Coffee and cookies are a perk to any visit.

Hurricane Season 2021 Planning Update

August 2021 – Gator Tales

by

The HOA Emergency Preparedness Team

As August begins, we are heading towards the peak months of hurricane season. By now, everyone has given some thought to preparing for sudden storms coming our way.

The HOA Emergency Preparedness Team has been meeting regularly. Last month we discussed resources available to everyone and urged residents to take advantage of these resources, which include the members of our dedicated volunteer Team. Please do not hesitate to contact any of us with questions, for information, or assistance. The Team continues to move forward in a number of areas. Some of these are:

1. **Improved Communications Network:**

At the request of the Team, and with collaboration of the ham radio group, the HOA has purchased ten (10) battery powered radios, which have been assigned to members of the Emergency Preparedness Team. The Team thanks the HOA and our Team members who have expertise in this area: David Rawson, David Hurr, Bill & Darlene Davis, and Jerry Smith. Thanks to their efforts the Team will be prepared to communicate through this system if we lose power.

2. **Generators (to assist those who need medication refrigerated or who rely on oxygen, etc.):**

Last month we mentioned this as something the Team was working to put together. We have added more generators to the list. If this is something you may need, contact a Team member for more information.

3. **Zone Volunteers, Outside Items, Snowbirds:**

At the recent meeting, the Team discussed these matters. Zone volunteers (see last month's issue for map and listing) keep an eye on houses within their zone. During the recent tropical storm warning there was a good response from residents in removing signs, garden furniture, or other items which might go airborne in high winds. However, there were some issues, and these will be addressed on a case-by-case basis. One issue of overall concern is the condition of snowbird homes prior to leaving. The Team has some ideas about this and will be discussing it at future meetings.

4. **Special Needs Situations:**

The Team continues to identify and offer to sign up those interested. If you know of someone who has special needs and requires extra help, please let us know or have the person contact one of us for assistance.

5. **Volunteers Needed for Emergency Preparation Exercise:**

Jerri Kaplan of Polk Emergency brought up the possibility of holding an Emergency Preparation Exercise at LHV. The Team felt we should pursue her offer. We put an article in Gator Tales last

month outlining this and asking for volunteers. To participate we need 20 – 50 people. The exercise will be at the clubhouse and is estimated to last about three hours. The details are vague, and this is part of the process. We have 13 volunteers as of July 15th. Once we identify 20+ participants we will request several possible dates from Jerri Kaplan. Hopefully, we will be able to find a convenient date for the majority. **If anyone reading this is interested, please let me or any Team member know so we can move ahead to the next step of requesting some dates.** Everyone understands that participation is contingent on obtaining an agreeable date for the exercise.

6. Clubhouse Bulletin Board:

The Team will be utilizing a portion of the large bulletin board in the back room / library. Watch for information of interest posted there.

All Team members are residents and volunteers working together to keep everyone safe!

2021 HOA Emergency Preparedness Team Members:

LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

Call today for a FREE Under Home Inspection

To our valued customers.

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety, The
Florida Anchor & Barrier Team*
