Message from.... *The President*

WOW! I don't know any other way to put it! March and April have been extremely exciting, busy and a sign of what's in store for the future. We've had breakfasts, a fish fry, a St. Patty's Day celebration, a Mexican luncheon, and other events. If you look at the calendar, it's pretty much full, however, in absence of being able to add an 8th day in each week, let's not forget that the pavilion is also open and available for daytime or nighttime use.

As the annual snowbird migration to the north begins, we wish our friends a safe journey home with the excitement and expectation of their return. Meanwhile, here in the village, we will continue to see many exciting events throughout the summer season to keep our year-round residents busy. Currently, we look forward to the Kentucky Derby party and celebration, our annual Memorial Day service and cookout, our 4th of July celebration, regular cookouts at the pavilion and maybe even an occasional Karaoke party or two. Now that we no longer have a mosquito problem, the pavilion is OPEN and available for evening gatherings, parties, and cookouts.

In the meantime, upon the return of our northern friends, we anticipate a Halloween party in October, and multiple events in November and December, including the annual Harvest dance and New Year's Eve party. Currently, we have our band booked for NYE and for the Harvest Dance. Those major events are already in the planning stage; however, hosts are desperately needed. Remember, the "host" job is simply the planning and coordinating of the event and the "host" is NOT expected to do all the work. There are always many, many volunteers available to assist and the BOD is here for the necessary funding and support. In order for all of these events to move forward and be successful, we need leaders to step up and assist.

Finally, the last meeting of the BOD will be May 3rd and the HOA General Membership meeting is May 10th. For all of you new residents, the BOD and HOA generally take vacation and reconvene in September, however, the fun and excitement through the summer continues.

CHECK **Facebook** and READ the "**GATOR TALES**" for updated and new events and remember **constructive criticism and new ideas are always welcome.**

Clark

MESSAGE FROM LHV MANAGEMENT

Spring has sprung. We recognize our obligation to all residents to maintain the high quality of your community and to protect your investment by enforcing the guidelines. This being said, we are asking all residents to please take a look around your property, making sure to check if your home, carport, roof, and lamp posts are cleaned and not green. We also request you check your carports, patios, and the rear of your homes to make sure they are cleared of any clutter and debris. Your lawns and flower beds should also be mulched and maintained accordingly. Starting in May we will be checking all homes for maintenance issues. At that time we will be sending letters asking those home owners who have violations for their cooperation in taking care of any issues they may have with their property. There are several homes in the community that do need to be addressed.

We are told many times from prospective residents looking to purchase here, of how much pride in ownership our residents take in maintaining their property. We thank you for your cooperation in helping us keep a beautiful community.

James and Connie Moran
198 Glen Este Blvd.
Residents since February 1, 2022

Jim and Connie were married October 9, 2010 in Chelsea City, MI. Jim and Connie had each been married 40+ years until both spouses passed. They met when Connie moved to the same street as Jim. Connie invited Jim for coffee where their friendship began. They found that they complemented each other. After approximately 5 years they decided to marry. Between them they have 6 children (4 girls and 2 boys), 17 grandchildren and 7 great-grandchildren. They have a "German Yorkie" named Bella Muffin. The rest of the family still live in MI. Jim and Connie will be "snowbirds" and plan to return in November.

Both Connie & Jim sold their individual homes and began looking for "their home". While searching the internet they found their 3-story dream home on a lake. They had a pontoon boat and a tiki hut. Camping was an activity that Connie enjoyed even while a widow. Three girlfriends taught her how to tow and hook up her camper. After they were married Jim gave camping a try and since then have purchased a new camper. They keep it on a seasonal site at "Grass Lake" in MI. They both love to dance especially round and square dancing. They would like to start a group if any residents would be interested.

Cruising is one of Jim & Connie's passions. They took a cruise to Hawaii for their Honeymoon on the Carnival Miracle and had the chance to dance every night. They are platinum members on Carnival. They also have travelled to the Holy Land and would love to go again.

Jim and Connie have been missionaries to Costa Rica. Connie cooked and talked with the homeless and Jim helped build homes. They also make "Angel Bags". They put \$10.00 in cash, socks and always a "God bless you" in each bag. They also would be willing to talk with anyone who lost a spouse, as they have both been through the loss and would love to help.

Jim owned a machine shop for 30 years and remembers working 120 hours a week.

Connie worked for McDonalds for 15 years, she was responsible for planning parties, tours and decorating. She retired at 62 to babysit her grandchildren. Connie later became a nanny for twins that were 5 months old.

They first came to FL towing their camper, which soon became a chore. Jim & Connie decided to purchase a home. They had an 850 sq ft home at "Tropical Palms". When that became too small, they went to Palm Harbor to choose a home. While still at the Palm Harbor Office they said, now to find a place for the home. The Palm Harbor salesperson suggested Lake Hammock Village, she said that is where she would retire. They both love the community and commented how friendly everyone has been. Jim & Connie said this is the best place to live.

They have since bought 3-wheel bicycles which is a new activity for them. They enjoy taking their golf cart for rides around Lake Hammock.

They are Looking forward to dances at the club house and have enjoyed the activities they have attended. Jim & Connie have signed up to be part of "CAP" patrol.

Connie wants to thank Shirley Smith for her extraordinary help in reacquainting her to quilting.

Please stop and say hello, Jim says "they don't bite!", Jim also says "GO SPARTANS"

Dan & Kathy Deuel
194 Glen Este Blvd.
Residents since 2007

Dan and Kathy were raised in Apalachin, NY and were married there in 1969 and have been married 53 years. They have two children one daughter Karen and one son Dan Jr. Dan and Kathy have 4 grandchildren and have 2 1/2 great grandchildren.

Dan and Kathy located to Lake Hammock Village and liked how clean the park was and how friendly everyone was. Dan said it felt like Mayberry!

Dan was employed by IBM and was transferred to another IBM facility in North Carolina. He worked on a "Federal System" which was a government project for the Space Program. After being employed 30 years for IBM he concluded his employment as an engineer. Dan had always wanted to drive a truck tractor trailer which he began after his first career. Dan also received a "Safe Driver Award" for driving over 2 million miles without an accident. Dan was only able to get home once a month so during the summer Kathy would ride with Dan traveling across the USA and Canada. Kathy said she saw a whole different lifestyle and how other people live. They once ate at a diner with a dirt floor.

While living in North Carolina, their daughter Karen worked for NASCAR. Dan and Kathy were able to experience NASCAR in a whole new way. They had tickets to all the races, were able to be in the pit and were able to meet many race car drivers. Dan and Kathy were invited to many parties and treated to many functions. They met Charlie Daniels had pictures taken and in all had many memorable adventures.

Kathy raised their family and worked at the middle school in the cafeteria as a "Lunch Lady". She served 1,000 pieces of pizza on Pizza Friday. They relocated to Florida, wanting to get away from the icy weather. She began working at the old Cypress Gardens. Kathy worked for special events such as banquets and providing food for the stars that performed there. She continued to work there until they closed the park. Kathy later on went to work at McDonalds in Dundee and retiring in 2020.

Dan and Kathy both have survived grave medical conditions. Dan had stage 4 cancer. Using experimental treatments his doctor saved his life. Recently he has undergone heart surgeries and is now feeling great.

Kathy has also had her share of medical problems. She had a brain surgery to remove a rather large tumor that resulted in receiving a metal plate. Kathy was in ICU for 3 days having a nurse 24 hrs a day. Kathy was released after her stay in ICU. Kathy and Dan thank Tampa Bay Hospital for the care and medical treatment received.

Daily, you will find Dan and friends having driveway morning coffee. They attend "Old Farts University". Having received diplomas in "Driveway Philosophy". Dan loves playing billiards and was a HS wrestler.

Kathy loves to cook, baking, decorating, and playing dominos. Kathy loves gardening, as you can see when going pass their home. She loves to walk, and you will see her several times a day walking.

Both Dan and Kathy love helping people. They help at the club house when ever needed. They also enjoy attending the parties. They enjoy "Fun Fridays" which includes, a visit to Starbucks, people watching and field trips. Dan and Kathy enjoy playing cards and are involved with numerous groups.

ANNOUNCEMENTS:

Diabetes Support Group
Brainstorming Session #5

TOPIC: Meters and Medical Devices

If this is your first time coming to the group, you are welcome!

LHV Clubhouse – Wed. March 2nd 7 pm

RSVP:

Maureen Hatfield – (617) 874-7755

Diabetes Daily Peer Mentor

PAINT CLASSES

Our paint classes are back in full swing. They will be held the first Wednesday of every month at the clubhouse from 1:00 - 3:00. We try to have just 2 people per table to help with some social distancing and masks are requested for those who have not received their vaccine. The price is the same, \$20 per person with all supplies and instructions provided by our instructor, Sherri.

If you want to attend it's helpful to let me or Shelly know - just so we make sure Sherri has enough supplies. But please come even if you forget to let us know. We usually always have room. Come join us for some fun and visiting.

Joyce 330-323-2247
Shelly 910-624-8925

Birthday and Anniversary Celebrations
Sponsored by: Dona Rawson, Sharyl Graham,
Audrey Gioiosa

Will be celebrating on the 3rd Sunday of each month at
6:30 pm
We will also have Trivia during the celebration.
Come join us!

BINGO NEW HOURS

Start 6:00 pm
Stop Selling: 5:45 pm
Doors Open: 4:30 pm

Hotdogs, Specialty Sandwiches, and homemade desserts.

Don't cook on Monday night, let us do the cooking for you.

Attention Single Ladies

We are now called: **SWIM CLUB**

Please text Jeanne Blicher if interested.
(203)915-1357

LIBRARY

We want to thank everyone for the books for our library.

Would like to ask that when you bring a book back, please leave them in the material basket. We would like to put them away.

The Librarians

There are New Resident Phone Directory's at the office. Come by and pick one up during business hours if you do not have one.

Thank you,
Phil

It has been reported that water faucets in the restrooms of the clubhouse are being left on, as well as the lights and ceiling fans. Please, after each use of the facilities, designate someone to check and make sure everything is turned off. Thank you.

A Fresh Start for LHV Sassy Stitchers

Lake Hammock 's sewing group will be meeting the 2nd and 4th Tuesday of each month at 1:00 in the clubhouse. Anyone who sews, wants to learn to sew, works with yarn or would like to help with projects is welcome to participate. The plan is to be an "open sew" where you can work on projects for charity or on your own projects. Share your tips and tricks with others and pick up some new skills. Most of all, let's have some fun together!

Bring your sewing machine or crafting supplies and material for a project if you have one. I will provide irons and cutting mats to share and some extension cords, but if you have an extension cord to bring that would be helpful.

If anyone has a relationship with an organization in need of handmade items (hospitals, schools, cancer centers, shelters, or groups) please ask them what they need and bring that information. If you want to learn how to sew a project you want to do, come over and let us know so we can get you started.

Thanks to all my sassy stitching friends!

Shirley Smith 708-828-3557

FOOD BANK

"Whoever is kind to the poor lends to the Lord, and He will reward them for what they have done."

Proverbs 19:17

Non-perishable items can be left in the clubhouse at any time. You can find the bin in the back room. If you are unable to bring them yourself, please call or send a text and we will pick them up. The items are brought to "The House Blest", a non-profit food pantry on Second Street in Haines City. This charitable organization was founded in 2008 and serves our community here in Haines City.

Thank you for your support!

Sharyl and Dave Graham

**God bless you,
Sharyl and Dave Graham
603-915-1757**

I would like to thank Bill Lyon and Greg Blackman for constructing the foundation for the new shed next to the clubhouse. Thank You, Joice Smith

Walter Hutchinson - Hospital

Judy St-Denis – Brother Passed

Please call if you know of a resident that has been ill or hospitalized so that Carol can send Get Well cards.

Service : 11:00 AM
Cookout: 12:00 PM

Hosted by: Lake Hammock BOD

Menu:
Hotdogs
Hamburgers
Baked Beans
Potato Salad
Cake

Hurricane Season Planning Update:

Emergency Preparedness Team Plans

Open House for Residents

by
The HOA Emergency Preparedness Team (EPT)

The HOA Emergency Preparedness Team met on April 7th to begin planning for the upcoming hurricane season which begins on June 1st and runs until the end of November.

At the meeting the Team reviewed the Zone Plan it developed. This plan has been reviewed in articles, **posted on our Bulletin Board**, and included in last year's information packets. Team members agreed this has worked well and will be used once again this year.

The plan includes eight Zones of about 25-30 homes. Each Zone will have several volunteers assigned to it. The Zone coverage was changed slightly. The following is the new list of Zone Volunteers*:

<u>Zone 1:</u>	Wanda & Art Stanley; Brin & Bob McDonald
<u>Zone 2:</u>	Sharyl & Dave Graham; Terry Cruz
<u>Zone 3:</u>	Deb & Gary Devore
<u>Zone 4:</u>	Jerry Smith; Gary Stanley
<u>Zone 5:</u>	Darlene & Bill Davis; Pamela Leland
<u>Zone 6:</u>	Lori Johnsen; Jeff Hunt; Joyce Middleton
<u>Zone 7:</u>	Dona & David Rawson
<u>Zone 8:</u>	Helen & David Hurr; Dan Deuel

*** Others available if necessary; Additional Volunteers are welcome!**

"Floaters" are available to help in any zone: Matt Rice; Dave Graham; others if needed

TEAM OPEN HOUSE PLANNED:

The Team is holding an informal Open House on **Wednesday, June 1st from 1:00PM to 5:00PM at the clubhouse**. Be sure to mark this on your calendar. This is for everyone, whether you are a Snowbird or full-time resident. We hope you will come. Light refreshments will be available.

This is an opportunity to:

- Meet Team Members in an informal setting
- Learn about the LHV HOA Hurricane Coverage Zones
- Talk with the Zone Coordinator(s) for your area
- Ask questions to Team Members
- Learn about the resources available to all residents – written materials and other information
- Learn about the Polk County Special Needs Program and how it may apply to you. If interested, Team Members can assist you in the registration process which just takes a few minutes
- Learn how planning ahead and being prepared can maximize your safety in the event of a sudden storm
- Consider discussing a Hurricane Plan. You are not alone. Team Members are there to help you through all aspects of this process.
- Learn about factors to consider in making a decision regarding evacuation – leaving before a hurricane hits – what to consider, etc.
- Other information we are able to provide.

Meanwhile, the Team will meet again on April 21st. **(Note: this article is submitted prior to that date to meet the deadline of the 20th so we can only report the main items on the list).**

On the 21st the Team will use the first part of the meeting to review the radios obtained last year for use in emergencies. Team members need to familiarize themselves with use of these.

We continue to be in contact with the County Emergency Operations eOffice and other providers to obtain shelter maps and other information for all residents. At present the plan is to distribute an 'Information Packet' to everyone through the Zone Coordinators. Contents of the packet will depend on the information available, and the Team will consider adding and copying additional materials if necessary.

The Team will meet again in late April to review progress.

Remember to check our billboard in the Clubhouse for information. We are trying to update this on a regular basis.

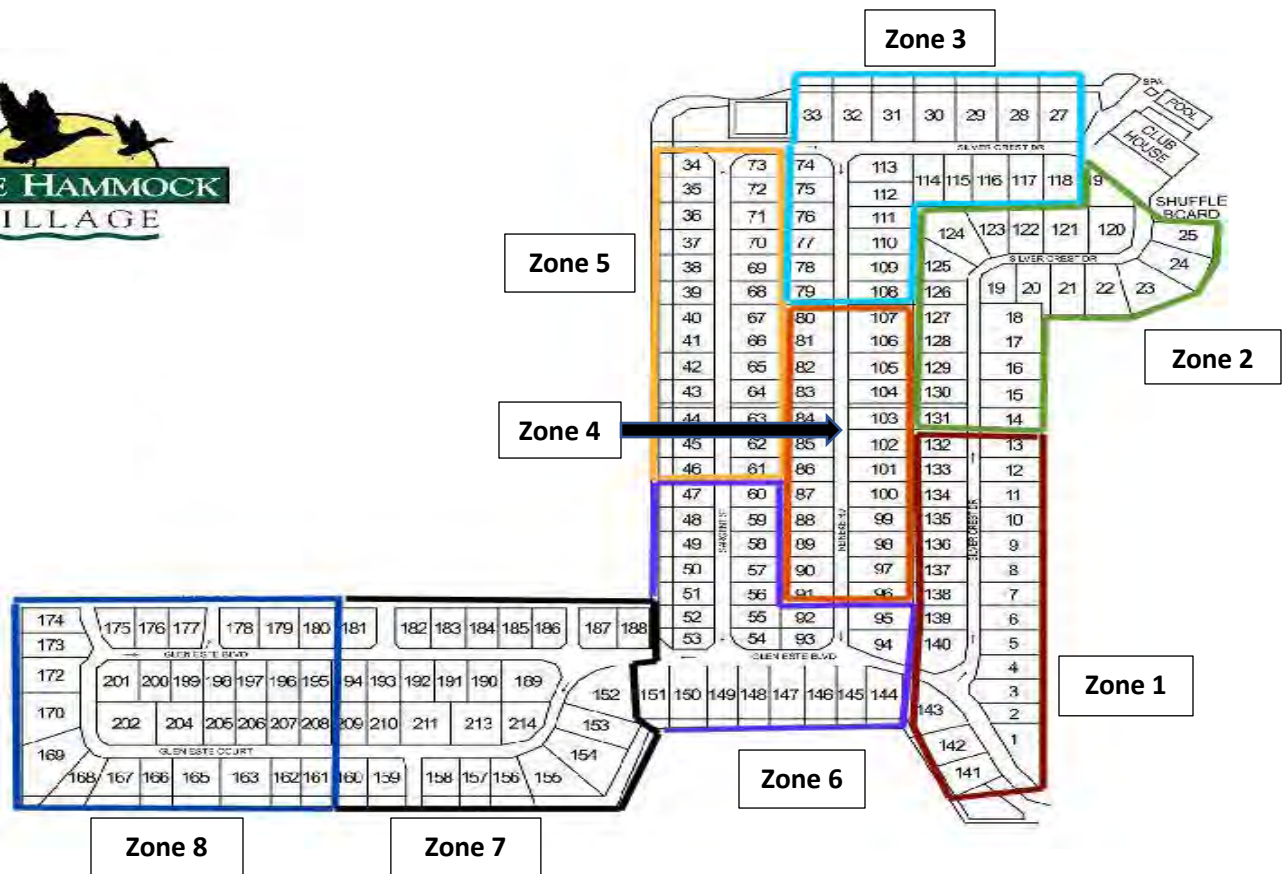

2022 HOA Emergency Preparedness Team Members:

Lori Johnsen, Brin & Bob McDonald, Joyce Middleton, Deb & Gary Devore, Dona & David Rawson, Helen & David Hurr, Wanda & Art Stanley, Kathy & Dan Deuel, Matt Rice, Pamela Leland, Shelly Shaffer, Jerry Sibila, Jerry Smith, Darlene & Bill Davis, Gary Stanley, Sharyl & Dave Graham.

**For further information contact Dave Graham at (603) 915-1368 or davemg1@outlook.com
or talk to one of our members listed above**

HOA Emergency Preparedness Team

2022 LHV Zone Map & Volunteer Listing *

Zone Volunteers:

Zone 1: Wanda & Art Stanley; Brin & Bob McDonald

Zone 2: Sharyl & Dave Graham; Terry Cruz

Zone 3: Deb & Gary Devore

Zone 4: Jerry Smith; Gary Stanley

Zone 5: Darlene & Bill Davis; Pamela Leland

Zone 6: Lori Johnsen; Jeff Hunt; Joyce Middleton

Zone 7: Dona & David Rawson

Zone 8: Helen & David Hurr; Dan Deuel

* Others available if necessary

Emergency Preparedness Committee

Presents our First Open House

WHEN: Wednesday, June 1st

1:00 – 5:00 PM (come any time)

WHERE: Lake Hammock Village Clubhouse

AGENDA: Meet your Zone Representatives

Discuss any needs or Assistance

NOTE: Additional pamphlets and information will be available. Bring your questions and let us assist you now, so you are prepared.

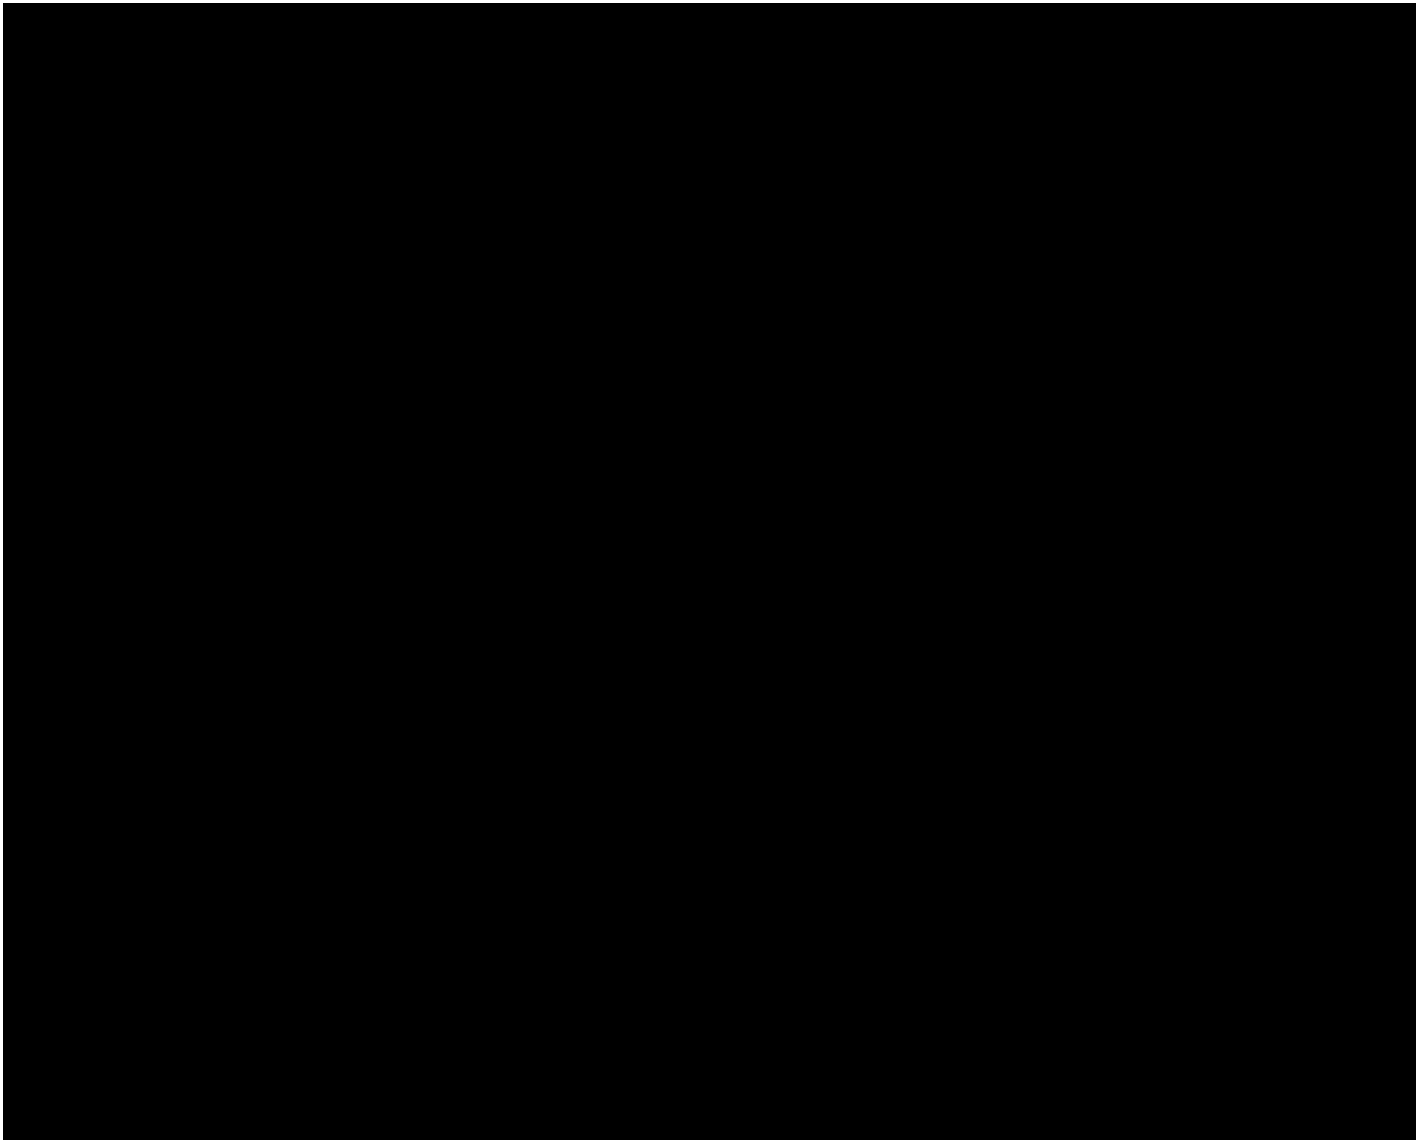

Light refreshments will be served from your HOA – Come join us!!

The Hurricane Hunters, Lakeland Florida

With Hurricane season quickly approaching (officially starts on June 1, 2022) many Floridians do not know of the NOAA (National Oceanic and Atmospheric Administration) assets based right here at Polk county's Lakeland Linder airport. The NOAA Aircraft Operations Center in Lakeland is home to many of the Hurricane Hunter's aircraft, including 2 heavily instrumented WP-30 Orion 4 engine turboprops that have the ability to penetrate the storms at various altitudes, scan with tail/body mounted Doppler radar antennas, deploy dropsonde sensors, and record various meteorological data. This data is then forwarded to the National Hurricane Center in Miami Florida to enhance storm forecasts that we all receive. These 2 planes have been nicknamed "Miss Piggy" and "Kermit" (with permission from Jim Henson Productions). These aircraft are typically manned by an off staff of 20+, including 3 NOAA Corps pilots, engineers, and meteorologists. Recently NOAA has also started testing the ability to launch long range sensing drones into the storm to observe lower altitude conditions. During an active storm, the P-3 Orion's will take turns flying into the storms with Air Force Reserve C-130's stationed at Keesler AFB in Mississippi.

While talking with the NOAA staff at Sun and Fun on March 9, 2022, one pilot stated that one of the P-3's was in Guam, as it is still storm season in the southern hemisphere, and the other P-3 is undergoing upgrades out of state. Crews will be returning both aircraft to Lakeland in early May prior to the start of the US Hurricane season. The NOAA operations center also uses a Gulfstream IVP jet aircraft (nickname Gonzo) to provide high altitude data, as well as several other aircraft to provide additional information and storm damage reconnaissance. The NOAA group was originally stationed at MacDill AFB in Tampa, and then moved to the new facility in Lakeland in 2017.

Call or text me at 407 276-2307.
If I don't answer, please leave a voice mail as I work full-time.

I have Look Books available and will be glad to drop them off to Lake Hammock Village residents.
