Message from the President.....

As we roll into 2023, I want to welcome the two newest members to our Board of Director's...Carmine Gioiosa and Pat Gagne. Carmine will serve as our Vice-President and Pat Gagne will serve as a director and assist Wanda Stanley as Activities Committee Liaisons. Wanda Stanley was re-elected to another term as was Matt Rice who will serve as our secretary. The remainder of the board will be Richard Gould, as Treasurer, Bill Davis, as Director who will chair the Statutory Committee and liaison with the FMO, and yours truly as President.

I believe 2022 was an exceptionally good year as many activities were planned, executed, and well recieved. We had some new ideas, such as the recent Murder Mystery Dinner Theater, which was hugely successful, and coming up in February, we have a retro "Sock Up," which looks to be a huge hit.

Following the HOA Annual Meeting, we reviewed the questionnaires, such as the survey, the RIF fund suggestions, and the suggestions for future activities. Our Activities Committee, along with BOD support will be able to implement many of them, however, these events still take volunteers to step up and host as well. The BOD's are here to offer financial support and assistance, but NOT to host every event. YOU can make any event happen, and we will assist you in any way that we can. The HOA BOD's will host and plan two events in 2023...the Spring Fling and the Memorial Day Celebration and cookout. We will also host and support the Annual Yard Sale, to be held in November. All other events are dependent on our residents. Remember.... ***It truly does take a village!***

Clark

Carmine & Audrey Gioiosa
111 Reineke Rd

Residence since June 2020

Carmine and Audrey were married June 3, 1978, and will celebrate their 45th anniversary this spring. They have three children, two boys and one girl. They also have five grandchildren four boys and one girl, ages nine and under.

They relocated from Lockport, IL after residing there for thirty years. Carmine and Audrey are snowbirds and spend their summers in Seneca, IL. They are planning on spending seven months in FL and five months in IL.

Currently Carmine and Audrey do not have any pets. They had two German shepherds over the years and a large fenced in yard for them to run.

Carmine attended Moraine Valley College studying "Law Enforcement". He went through all ranks retiring as Chief of Police at the Justice, IL Police Department. He retired after 28 years. After retirement Carmine provided armed security for utility companies. Spending 20 years working for the security company he again retired.

Audrey attended De Paul University earning a degree in "Business Management and Development". She worked for an insurance company as Sr. Claim's Adjuster.

After Carmine and Audrey retired, they were ready to start the next chapter of their life. They decided to downsize and relocate to FL. They visited other parks and were considering Royal Palms; they had a friend that lived there. Carmine and Audrey liked what they offered, that is until they saw the number of alligators that also lived there.

When driving in "Lake Hammock Village" they liked the appearance and cleanliness of the community plus the friendly residents. Carmine likes to fish and was happy he could enjoy that activity here. Carmine is currently running for the HOA board. He would also like to start a men's poker night. His hobby is making "home made Italian sausage".

Audrey is getting involved with the activities in the community. Her activities include line dancing, "Birthday and Anniversary's", and enjoys the monthly painting class. She also plans on attending the monthly "Ladies Luncheon". Audrey also enjoys walking in the evening.

Both love to cruise and have been on many Carnival Cruise's. They currently have four cruises planned. Cruising was also a determination in relocating to FL. Carmine and Audrey's bucket list includes traveling to Italy and Germany.

Audrey is not a big sports fan. Carmine is a fan of the Chicago White Sox, Blackhawks, and the Chicago Bears.

Carmine and Audrey are happy with Lake Hammock Village Community and all their new friends and neighbors. They are glad they will be spending their winters here.

The HOA Emergency Preparedness Team - Looking Ahead for 2023

by
HOA Emergency Preparedness Team
Article for the February 2023 edition of Gator Tales

Last month we reviewed the activities of the HOA Emergency Preparedness Team in 2022. During 2022, the

Team worked diligently to help residents be prepared. The Team believes that its efforts helped to increase awareness and encourage residents to be better prepared for the storms that we know will eventually come. In 2022 all of us were challenged by not one but two storms! As we stated last month, overall LHV did very well. In 2023 the Team hopes to do even more to help prepare for these events of nature.

By the time you read this, the Homeowners Association (HOA) held its Annual Meeting on January 17th. At that time newly elected Board Members joined the existing Board, comprising a **'new' Board** which has begun its work. The **HOA Emergency Preparedness Team** was created by the HOA Board in 2018 and is considered a standing committee.

Next Steps:

- ✓ At the February HOA Meeting a sign-up sheet will be available for anyone who might be interested in becoming a member of the Team.
- ✓ An organizational meeting will later be scheduled for anyone interested in attending and learning more.
- ✓ The Board will appoint someone as chair or coordinator to follow up. This may or may not be a Board member. The process is up to the new Board.

Possible 2023 Team Events & Activities:

- ✓ The 2022 Team decided that the **Team should have a booth / table / exhibit at the annual Vendor Fair in March**. Joyce Middleton, coordinator of the Vendor Fair, has offered the Team a space at the fair, details to be worked out.
- ✓ The Team hopes to obtain **2023 Shelter Maps and other materials** and arrange for distribution prior to June 1st. This will be done by 'Zone Representatives' delivering the material to each resident personally. The Team may need to meet to plan these events in detail.
- ✓ A **Hurricane Open House** on or about June 1st similar to last year's but with improvements, to be decided by the team with participation of the Board.
- ✓ A possible **'Mid-Hurricane Event'** around September 1st, to be decided by the Team.
- ✓ We hope to continue **monthly Team articles in Gator Tales** assuming we have volunteers who would like to work on this ongoing project.
- ✓ A **'Generator Subcommittee'** has been proposed to organize a system for helping those without generators. Last year an informal network led by Kathy and Dan Deuel provided a place to cook and serve food during power outages. There is great interest in this!
- ✓ Lots, lots more!!!! We can do more with your help!

2022 HOA Emergency Preparedness Team Members:

Wanda & Art Stanley, Kathy & Dan Deuel, Matt & Margaret Rice, Pamela Leland, Lori Johnsen, Terri Cruz, Brin & Bob McDonald, Joyce Middleton, Deb & Gary Devore, Dona & David Rawson, Helen & David Hurr, Shelly Shaffer, Jerry Sibila, Jerry Smith, Darlene & Bill Davis, Gary & Valerie Stanley, Peter Morlock, Sharyl & Dave Graham.

Other Contributors:

The Team would like to recognize and thank the many individuals who are not 'formal members' of the Team but whose dedication and assistance is appreciated by all! These individuals kept an eye on their neighbors, gathered socially, and provided ongoing support. Many with generators generously stored food for people, fed those who needed it, stored medications, and provided general support to many.

VALENTINE SOCK HOP

SATURDAY, FEBRUARY 11TH 2023

LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

Call today for a FREE Under Home Inspection

To our valued customers.

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
