

ROUNDUP

MARCH 2023

Published for the residents of Southfork, Dade City, Florida

A NOTE FROM HARRY

The activities committee had a very busy February and the March schedule looks just to be as busy. Movie nights, poker run and birthday parties are already planned.

Another medical presentation is scheduled. Meditation is ongoing, Yoga is scheduled to resume in April; craft and quilting clubs are still meeting and bingo will continue. The Women's club will continue to meet on the 1st Wednesday of March and April and then resume in the fall.

Wednesday burgers & dogs, Friday nights at the pavilion and community activities will be scheduled. This should give us enough choices to keep us busy as we want. So, when you see announcements for an activity, do not just sign up to attend, but ask what you can do to help!

Keep your Roundup calendar and newsletter somewhere you look daily so that you don't miss anything you might be interested in.

The last scheduled HOA membership meeting is going to be Monday, March 27th at 9AM in the clubhouse. The next scheduled meeting after that will be in November. This is the nomination meeting when, if you are interested in becoming president, secretary or a director (2) you need to say so at this meeting.

We are looking for volunteers for the nomination committee. Let me know if you are interested.

The HOA board will continue to meet in April and May, then start again in September.

Harry Gerrish, HOA President

I have been taking orders for Southfork shirts and Women's Club shirts. If you would like a shirt, please call Sue Kerschner at 803-968-6028. I will be set up to take orders during the Carport sale on Saturday 3/4 at my house at 38750 Bronco Dr. That will be the last day to order and shirts must be paid for by then.

We want to get them back before the snowbirds start leaving. I don't plan on ordering extras this year, so if you want one order it now.

A NOTE FROM RON WHITE

The Jesse Derringer show was another great evening event! The pictures are worth a thousand words. This was our last scheduled show. All of those who attended this event had a fantastic time.

We had a great turnout for the University of South Florida's cognitive aging program on Dementia. Dr. Jennifer Lister presented a program that enlightened and frightened many of us at the same time. Many of the attendees signed up to find out more about the program and to see if they qualify for participation in the study. The University may return for another lunch & learn on Dementia and or cardiology!

This is being written before the presentation on February 21st by Dr. Seth Cooper an Orthopaedic Surgeon. We have over 60 people signed up for this event. As usual a luncheon will be served @ 12 noon. You don't want miss either one of these upcoming presentations.

Our Medical Lunch & Learn series will continue in March. On March the 22nd, Dr. Sudhir Kalaskar, a general surgeon with advanced fellowship training in minimally invasive and robotic colorectal surgery. He will speak to us on things we need to know, but not necessarily want to hear. A luncheon will be served. A sign up sheet will be in the clubhouse from March 6th - March 16th.

Thanks to all for your support!

A FUN NIGHT WITH JESSE DERRINGER

I would like to take this opportunity to thank Duane Wing for all of the technical support during these events. Both for the entertainment as well as the lunch & learn sessions.

OPEN HOUSE & ICE CREAM SOCIAL

On Sunday February 19th, Southfork had an Open House and Ice Cream Social. What a great success! We had about 90 people attend. While enjoying delicious ice cream, neighbors got to know each other and everyone was tasked to meet one new person.

I want to thank our amazing volunteers without whom we can not put on these events: Harry and Barb Gerrish, Jim and Carol Dennis, Ron and Mary White, Mary Muzzio, Sue Kerschner, Donna Elder, Michelle Demaree, Jean Richardson and Duane Wing. Also, a special thank you to Jean Richardson who made the cute centerpieces!

I hope that those who attended and those who could not make will come to future events and enjoy what Southfork has to offer.
