**All Residents:** We continue to address the growing feral cat population in our neighborhood. This has been going on for months. We have had at least four litters born that I know of. We are well aware of who the residents are that continue to feed and harbor these cats and kittens. Richard has set multiple traps on multiple occasions. These traps are continuously disabled, and the same residents continue daily to put out food and water bowls on their property. The residents that are feeding these cats are not doing the animals any good at all, not to mention the lack of respect they have for their neighbors and the neighborhood. If you want a cat then take them in, have them get their shots, have them spayed and neutered, and register them with this office. If you see them tell us, we will cage them and animal control will pick them up, this will be a far better environment for the animals.

**THOSE THAT ARE FEEDING AND HARBORING THESE ANIMALS KNOW WHO YOU ARE. PLEASE STOP IMMEDIATELY.**

**We appreciate your cooperation in hope to rid our community of this problem.....Management**

### ***Message From the President.....***

Welcome to October! The highlight of this month will be the **“Creepy Carnival”**, to be held on October 28, from 6:00 PM until? Once again, the Halloween event will be hosted by Kathy Deuel and her cadre of creepy characters. As of this writing, there are very few tickets available so hurry and get yours today.

It's once again time for our annual community yard sale, to be held on November 4, 8:00 AM -? Sign up sheets for volunteers are posted in the Clubhouse so please help if you can. This is the one event each year that takes as many people as possible to ensure its success.

It's also time for choosing our annual community “Volunteer of the Year”. Please make your choice and deposit it in the boxes located in either the Clubhouse or the office. At the November General Membership Meeting we will announce and introduce the top four finalists. At the December meeting, you will be given the opportunity to vote for your choice and the winner will be announced at the Annual Meeting in January.

There are plenty of events coming up in November and December as we celebrate the Holiday Season, so be prepared for an active Fall and Winter Season.

See you soon!

## Preparing for Hurricane Season 2023:

OCTOBER - MONTH FIVE

# The Most Dangerous Months Ahead!

## Peak Hurricane Season Continues!

by

The HOA Emergency Preparedness Team / October 2023 Gator Tales

As we enter **Month Five** of hurricane season we continue in **Peak Season**. As of October 1<sup>st</sup>, there are eight weeks remaining. Remember that **in 2022 Hurricane Ian arrived on September 28<sup>th</sup>**! Later last season, **on November 10, 2022 Hurricane Nicole** made landfall as a category 1 storm near Vero Beach, Florida. Seeing a hurricane so late in the season was unusual but should be a lesson to all of us.

Anything can happen and the unexpected often does. In this time of changing weather patterns and unusual activity we need to be vigilant and be prepared. Remember, this can be a very dangerous time of year!

Last month we listed things you can do to help prepare yourself. We have been focusing on this during past months and urge you to continue to be vigilant and prepared:

- \* Utilize the information the Team has provided.
- \* Think about what choices you should make when a hurricane threatens us.
- \* Take whatever steps are necessary to protect yourself from the likelihood that we will see some bad storms coming our way between now and December 1<sup>st</sup>.
- \* Stock up on supplies, such as water, batteries, peanut butter, tuna fish, and other non-perishables. These disappear quickly from store shelves when a storm is forecasted and panic sets in.
- \* Remember that the Team is a resource for you. A list of Team members is included in this article. Contact one of us for information.
- \* Plan now. Don't let yourself be caught in the pre-hurricane panic.

Last year we introduced you to 'Charlie the Procrastinator,' a 69 year old widower in good health who is clueless when it comes to preparing for hurricanes despite living in Florida for the past 34 years! In the photo below, Charlie continues his search for batteries and other emergency supplies. In a fictitious conversation with a Team member, Charlie told us, "I must have missed the Gator Tales articles. And.....I think I remember getting a shelter map, but I think I spilled coffee on it and threw it away. By any chance would you have another copy for me?" Charlie also promised to try to do better in the future.

Moreen Martel  
24 Silver Crest Drive  
Resident since April 2023

Moreen relocated from Annandale, MN where she resided for 36 years. She has two children, one girl and one boy. Her son Sutton has non-verbal Autism and resides in a group home in MN. Moreen's daughter Alyssa resides in Fargo, ND and works for North Dakota State University. Moreen's daughter just had her first grandchild, a girl, named Noah Joy. She is planning to travel to ND in October to meet her new granddaughter. The other family members are her two Shiatzu's, Ginny, and Harry, which she adopted in November of 2022.

Moreen was from WI and raised on a small farm. She has six siblings, one of her brothers Bruce, is a snowbird living in LHV. Her parents had lived in LHV for 11 years. After her mother passed her father lived with her brother here until his passing. Deciding to make her home in LHV was an easy decision with her family connections and her best friend lives in Lake Worth.

Moreen attended University of WI at Stephens Point and obtained her teaching degree. She then taught in high school for a few years. Moreen later became an HR director for a large school district in MN. She retired from the school district after 35 years.

Moreen's hobbies include watching the Bisons, the North Dakota State University Football team. She also loves to play cards and would like to join some card groups. You will also see her golfing with residents of LHV. Moreen would like to learn how to play "Pickle Ball", if someone could teach her, please contact her. She also likes "Cribbage" and would like to see if any other residents would like to play. Moreen is up to playing board games and would like to join any groups.

Moreen has enjoyed the painting classes at the club house. Creating crafts is another activity she enjoys along with going to the pool, playing shuffleboard and cornhole. Moreen has attended several concerts at Epcot and likes to visit all the Disney Parks.

David and Dona Rawson  
186 Glen Este Blvd.  
Residents since March 2015

David and Dona Rawson were married June 9, 1973, in Denver, CO. David was from Long Island, NY and Dona was from Denver, CO. David and Dona have two boys, Darian, lives in FL, Eron who still lives in KS. They have four grandchildren, three girls and one boy.

They met at a dance; Dona attended at "Texas Women's University" which was an all-girl college. David was in the Air Force where the servicemen would travel to the college to meet the girls. The girls were allowed to invite them to the dance. Dating they would attend Texas A&M football games. The tradition was when the team made a touchdown, they had to kiss.

After dating for three years, David was going to be transferred. They decided to get married so she could go with him. The Church where David and Dona were married was built underground. The Door and windows were street level. After their marriage David and Dona relocated to Wichita, KS. She enrolled in Wichita University and completed her degree in Special Music Education.

David was stationed at the "Missel Silo Underground Group" After 11 years he retired with a BS degree from "Friends University". He then went to work for Flight Safety International and worked for them for 35 years. David worked on flight simulators. David continued in his career as a Field Engineer and spent time in Lakeland, FL.

He liked Central FL and planned to retire in the area. David and Dona like how there were so many activities to enjoy. They go to Disney once a week and try a new restaurant at least once a month. They also enjoy Lego Land, especially, the gardens. They also visit Bok Tower occasionally. David and Dona enjoy going to the movies.

They took their first cruise in 1989 and continue with one planned in November.

They chose Lake Hammock Village because they were close to the airport and the many activities. The woods were also a deciding factor.

David completed his bucket list when the entire family was together this summer. His hobbies include radios and electronics. David has also acquired several 3-D printers and a format scanner. He has created several pieces. He has also created glass art, with a Mickey Mouse as a centerpiece in their living room. David is also on the Emergency Preparedness committee.

Dona enjoys the "Birthday and Anniversary" committee and planning each event. She is also responsible for the memorial wreath. Dona belongs to "TOPS" which she continued when relocating to FL. Dona especially likes various music and playing the Dulcimer.

# Medicare 101 Seminar

## (And Pizza lunch)

**October is the start of Medicare Open Enrollment time.**

- Are you sure your plan has given you the best coverage?
- Do you know all the options available to you through the insurance options?
- Do you know the difference between a Medicare Supplemental Plan and a Medicare Advantage Plan?
- Have you been a little confused trying to sort through the whole Medicare system?

Let us help you sort through all those questions and concerns.

Come join us for lunch and a short informational session to answer all these questions and sort through your 2024 coverages – now is the time to secure the best coverage plan for you!!!!!!

**WHEN: Friday October 6th, 2023 @ Noon**

*\*\*Pizza and drinks will be provided and a sign-up sheet will be in the clubhouse for food ordering purposes. Please remember to sign up to be certain there is enough food.*

**PRESENTER:** David Brown, Benefit Analyst & Consultant  
863-651-7784    Dbrown0115@gmail.com

**\*\* David is not a salesman trying to sell a particular policy and he does not represent any one company. He is a benefit consultant, knowledgeable in all areas of Medicare coverages who will help us all sort through the questions pertaining to our Medicare plans. He has the whole afternoon dedicated to us, so after the short 25–30-minute information session he will stay and meet one-on-one with anybody who desires some personal help, or questions you may have regarding your previous year's policy or coverage.**

Additionally, David can make an appointment to meet with anyone at a later date of your convenience at your house. Thanks, and feel free to contact me if you have any specific questions. ***And remember to sign up for lunch!***

# LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

***Call today for a FREE Under Home Inspection***

To our valued customers.

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety, The  
Florida Anchor & Barrier Team*
