March 16th Hot Dog Roast

March 17th St. Patrick's Day Dinner

March 20th Vendor Fair

March 31st Easter Dinner

April 13th Spring Fling

Please check out the events calendar and Gator Tales for more details.

St. Patrick's Day Dinner tickets go on sale February 29 cost is \$10 resident and \$12 non-resident see Laura (419)204-0875, Jennifer (207)229-9521, or Sue (207)294-1342 for tickets. Chef Carmine and Chef Steve will be cooking.

All HOA events need people to help in setting up tables, cleaning after the event, cooking and serving. So, if you would like to help contact me or any other board member, and we'll put you to work. There will be sign up sheets at the General Membership Meeting in March for you to sign up.

Suggestions on what to use RIF fund from HOA members are being discussed and hopefully some things can be done soon.

Remember we should all be respectful and kind to one another.

Caio for now!

SPOTLIGHT ON CLR-Center Left Right (a/k/a LCR)

By: Linda Casinover

No Experience Necessary!

If you are one of those who does not play games for some reason or another (perhaps you don't want to feel dumb), this dice game can change that. Even if you don't know your left from your right, you can play!

This game was a popular drinking game in the bars and was officially released in 1992 by George & Co. There does not appear to be a particular person taking responsibility for its creation.

This reporter recently had the pleasure of playing a version of the game with a great bunch of individuals up at the clubhouse.

Basically, you roll the three dice and pass or keep your chips (in this case dimes) in accordance with what appears on the dice. The dice have either a C, L, R, a black DOT or a dice marked Wild. Don't worry, everyone there is helpful if you get confused.

The Dot and the Wild dice are the best. The Dot is neutral and Wild allows you to take from another individual. During the game, one player rolled three Wild dice and won all the dimes in the Center. The game is officially over when all the players except one is left with any dimes. The winner gets to keep all the dimes that are in the center, hopefully with no reduction in the amount.

You need a minimum of three players for this game. We had 11 of us and we played three games, one of which I won a whopping \$5.50. I was advised that there have been as many as 17 individuals playing, which resulted in two games running simultaneously.

Unlike some games, there is little to concentrate on so there is plenty of talking around the table. This is a great way to get to know your neighbors and meet new friends. Come on down Friday nights at 7 PM and join in on the fun!

Larry and Ellie Quinter

202 Glen Este Court

Residents since November 2023

by Helen Hurr

Larry & Ellie relocated to Lake Hammock Village from Overland Park, Kansas.

They found their home online and made a visit to Lake Hammock Village. Larry and Ellie liked the neighborhood and the appearance of the homes. The weather also helped make their decision.

Larry is originally from New York, living there for 18 years. His family relocated them to Arizona, where he finished high school. Ellie lived in New Jersey for 12 years when her family also moved to Arizona. Larry and Ellie met in high school and married in November of 1973. They have now been married for 50 years.

Larry and Ellie have two boys Daniel and Peter and one daughter Colleen. Their family still lives in Kansas. They have a total of eight grandchildren and one great grandchild. Larry and Ellie have one more family member, their yorkie-poo Rolly.

Larry was in the AZ National Guard from 1973 to 1979. He was assigned to the "161 Air Refueling group". He was an electrician by trade, retiring after thirty-five years.

Ellie was a staff member at their church for ten years. While working both Larry and Ellie went back to school at "Faith Bible College" first earning an associate degree. They then got their bachelor's degree and then Larry and Ellie both obtained their doctorate's.

Larry earned his doctorate in "Pastoral Therapy" and Ellie obtained her doctorate in "Church Administration". They would like to conduct a Bible study in their home. If anyone is interested, please contact them.

One of their favorite memories was a special Christmas present they received from their daughter. Every year she gave dad a Calendar for a present. One year it was a special calendar with pictures from Ireland.

She made him look all the way through the calendar not understanding why. When he was done the surprise came, this is where I am sending you on vacation".

Both consider the Kansas City Chiefs to be their NFL team. They also enjoy watching the University of Kansas basketball games. Larry's hobbies include re-building his motorcycle, woodworking and just tinkering. Ellie enjoys singing (her favorite) she also enjoys reading and collecting Emmet Kelly statues. Ellie also enjoys cross stitching.

As for the Golf cart parade, Larry was disappointed in this year's parade. He has some ideas to improve the event. Larry and Ellie are looking forward to getting involved with other community activities.

They have learned about the lake hammock time where you must be one-half hour or fifteen minutes early for any event.

GUINNESS

By Linda Casinover

This reporter met Guinness, a 20 lb. male Norwich Terrier, in the trails one day and noticed what a handsome guy he was and arranged to interview him with his human at their home.

Guinness greeted me as if I was his best friend. He gave me lots of kisses and repeatedly jumped up on the couch with his cute little tail wagging. He just loves a nice rub behind his adorable little ears.

His human, John, with his late wife, always had a love for terriers from the start, but when they were introduced to a Norwich Terrier at a dog show, they fell in love with the breed.

Their first Norwich Terrier, Chivas Regal, came from Corpus Christi, Texas. He was picked up in Dallas by his humans since this breeder would not allow dogs to travel alone to their forever homes. At the time, the breeder stated that only about 3,000 Norwich Terriers existed. They are the rarest among the terrier breeds due to their low litter size and common need for caesarian sections. Chivas Regal passed years ago at the nice age of 14.

Norwich Terriers originated from England and were bred to hunt small rodents but are mostly companion dogs now. Their tails are small, ranging in length from 2 to 8 inches. Some believe the tail was used to pull the dog out of a hole they chased a badger into.

Guinness, an easy double for Chivas, came from Columbus, Ohio in March 2015. He loves riding in the golf cart but must be on a leash as his inherent urge to hunt shows up unexpectedly. He gets very excited when his human reaches his favorite "run around" spot. He has another favorite spot for potty that his human calls the post office. Many of the dogs go there routinely to be the last to mark that territory.

Guinness's human is well trained. Treats come after his human's first cup of coffee, then after his second cup, prior to lunch and dinner, and many times in between. No food for John until Guinness has had some Kibbles. His human is fond of saying "Guinness will eat anything that won't eat him first."

Guinness is a very independent fellow and sleeps in the living room on the couch. He will, however, seek refuge in his human's bed during a storm.

It was a real treat to get to know Guinness and hope to see him in the trails again soon.

Guinness lives with his human, John Brock, at 150 Glen Este Blvd.

FREE ADMISSION & PARKING

A Weekend Packed With Heart-Pounding Air Performances & Family Friendly Activities

The men and women who work and serve on MacDill Air Force Base invite you to Tampa Bay AirFest 2024 (March 29-30, 2024). It is our honor and privilege to host this free event which will feature an amazing variety of military and civilian flight performances (including The United States Air Force Air Demonstration Squadron "Thunderbirds"). Tampa Bay AirFest 2024 promises to be a weekend packed with heart-pounding air performances and family-friendly activities showcasing all five branches of the United States military as well as our first responder agencies. This two-day event is your chance to get up close and personal with military/civilian aircraft and pilots!

MacDill Air Force Base is privileged to have called the Tampa Bay region home for over 80 years and we are proud of the superb relationship we share with the surrounding communities of Tampa Bay. While the great flying weather in Tampa Bay plays a crucial role in the training and operations we conduct, it is the outstanding support and hospitality that enable us to execute our global air refueling mission. AirFest is one small way to say "Thank You" for your unwavering support of the base and our personnel. Although General Admission is FREE, a limited amount of Premium Seating Tickets are available while supplies last. Get your tickets early to see The United States Air Force Air Demonstration Squadron "Thunderbirds" and so much more! It's on! Tampa Bay AirFest is Back!

2024 Hurricane Planning Begins

Board Gives Go-Ahead to HOA Emergency Preparedness Team

by

The HOA Emergency Preparedness Team
for the March 2024 Gator Tales

At the February HOA Meeting the Board gave the go-ahead for the Team to begin planning for 2024. As part of the Meeting Agenda, Dave Graham gave a brief report on the Team for 2024. He also passed out a flyer with information about the Team in hope of attracting new volunteers to add to our existing Team.

The Team will have an **Organizational Meeting on Wednesday, March 13 at 6:30PM at the clubhouse**. At that time the Team will review Team membership for 2024 and begin our planning. We hope that all our members will return but realize that this may not be the case for various reasons. We welcome everyone, no required time commitment, and no required lifting or heavy duty – **YOU choose the time you can spare and what you would like to do**. Even if you can spare one hour each month it will help us provide services to our residents. We need people to help with lists and make phone calls to follow up with residents, and other tasks, such as revising our **Hotel List** which is available to anyone for use as a planning guide during hurricane season, etc.

The Team goals will be dependent on volunteers available. We hope to be able to do what we did last year.

The Team will participate in the **Annual Vendor Fair** which will be held **March 20, 2024**. In 2023 we set up exhibits, gave out information, and had the opportunity to meet and talk with residents as they entered the fair.

A possible early **June Open House** will be discussed. In 2022 & 2023 the Team held this event. Last year we had guest speakers and served a light lunch to everyone attending.

We also hope to provide **Hurricane Information Packets** to all residents, as we have for the past four years.

The Team will also submit a **Hurricane / Emergency Preparedness article to Gator Tales** each month, as we have over the past four-plus years.

If you are interested in learning more, please come to our meeting on March 6th.

Remember, the Emergency Preparedness Team works together with its volunteers on the goals and objectives which are:

To keep our residents safe, to help each other, and to help all of us be better prepared in case of hurricane or other emergency

2023 Emergency Preparedness Team Members:

Matt & Margaret Rice; David & Helen Hurr; Bob & Brin McDonald; Wanda & Art Stanley; Joyce Middleton; Bob Cappell; Pamela Leland; Dona & David Rawson; Darlene & Bill Davis; Jerry Smith; Lori Johnsen & Jeff Hunt; Deb & Gary Devore; Bob Kruse; Kathy & Dan Deuel; Terri Cruz; Barbara Pund; Mary Ann Donovan; Gary & Valerie Stanley; Jerry Sibila & Shelly Shaffer; Sharyl & Dave Graham

Attention Snowbirds!

Before You Leave.....Things to Do

by

Dave Graham, HOA Emergency Preparedness Team,
for the March, 2024 edition of Gator Tales

It is the time of year when our **Snowbirds** are beginning to think about returning to their summer homes, leaving all of us to 'enjoy' the warmer weather.

The **Emergency Preparedness Team** suggests that you use the **Snowbird Pre-Departure Checklist** to help review and plan for a smooth transition. A copy of this form is included in this edition of Gator Tales. This checklist covers the major areas of concern. Please look this over and consider using it as a resource for your pre-departure planning.

Remember.....you will be away during all or part of Hurricane Season. Your property will not receive the same level of care and attention when you are not here. Try to anticipate things that might become problems.

If a hurricane threatens, loose items can fly around in high winds and cause injury or damage. YOU are responsible for making sure this does not happen. Remember, if a neighbor's house is damaged due to your failure, you may be financially responsible. Here are some checklist items to focus on:

- * **Remove, secure, or store away loose outside items! This applies not only to Snowbirds but to ALL RESIDENTS and is an ongoing responsibility!**
- * **Be sure to leave keys with someone you trust to check your home at regular intervals. Do not expect these people to do extensive work on YOUR house as they must take care of themselves when a storm is coming. When this happens it is 'all hands on deck', so to speak. Be a good neighbor and prepare ahead of time.**
- * **It is important to let the LHV Management Office know when you are leaving, provide your contact information, and your potential return date.**
- * **The Team has eight Zones and representatives in each Zone. If possible, talk to a team member before you leave so we can answer any questions and are available after you are gone.**
- * **Manager Phil Nespeca asked us to remind everyone that snowbirds should check their homes before leaving to see if they need to be power washed. Also, be sure your lawns are mulched and that you have a plan for maintaining your outside areas while you are away.**

Snowbirds are an important part of our community. We love it when you are here and miss you when you are gone! We wish all of you a safe and happy journey!

Saint Patrick's Day Facts

Across

- [4] The national symbol of Ireland...
- [5] This city hosts the largest St. Patrick's Day Parade in the world; over a million people attend it each year.
- [6] This is what the shamrock originally represented symbolically.
- [7] This country has the more people of Irish blood, 34 million, than any other country on Earth.
- [11] In the spirit of the Irish, he is one of the most recognizable mascots in popular culture, and is still used to sell this popular General Mills breakfast cereal.
- [12] This is the American city that first celebrated March 17 in 1737 with a parade.

Down

- [1] This Catholic priest was not originally Irish, as he was originally from Wales; however, he became the adopted patron saint of Ireland.
- [2] The English city of the U.K. named for short, five-line rhyming poems.
- [3] Somehow the story or myth is or was that St. Patrick long ago drove these figurative real creatures out of the country of Ireland; however, these creatures never were there in the first place.
- [8] Sales figures for this beverage brewed in Ireland show that 5.5 million pints of this black stuff are downed around the world every day. On St. Patrick's Day, however, for one day that figure is doubled.
- [9] This is the American city that transforms the water of its river into the color green.
- [10] He was the first U.S. President ever to attend a St. Patrick's Day Parade in 1948, six years before Fahrenheit 451 was published.
- [12] The original color of St. Patrick....

LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

Call today for a FREE Under Home Inspection

To our valued customers,

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety, but yours as well. We check workers temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,
The Florida Anchor & Barrier Team
