FROM MANAGEMENT

Found: Pair of sandals left at pool, claim in office. Security FYI: Keep your auto key fob with you and next to your bed. If you fall or feel threatened just push the panic button to bring your situation to the attention of others. Someone will hear it and come to your aid. When having an event in your home, have all visiting vehicles park on one side of the street to allow emergency vehicles access in the event of an emergency.

Thank You

We would like to thank all of the people who have helped us, made yummy food, sent cards and visited us since our accident. It's going to be a long haul.

An Old Wooden Chair

An old wooden chair, out on the porch
Shaded by trees, the sun couldn't scorch

A child loved to play, not far away
When tired this chair, was where to stay

If weather turned bad, as sometimes it would
The young one would sit, those arms felt good

This haven of rest, always was there
Like a mother in charge, always took care

As the years passed, the chair bore no change
But the small one did grow, adding new range

How quickly through high school, time fled by
And the child from that chair, said good-bye

Off to the service, such great pride did show
Protector of freedom, youthful brave glow

A loved one of course, now guards this chair
Holding fond memories, each one so dear

With prayers to God, dear mother does wait
Till her brave one's home safe, a want so great

That now empty chair, shaded by trees
If it could just talk, starting with "Please..
