## FROM THE EDITOR

President: Angelo Petrone

Vice President - Judy Ingalls

Secretary - Connie Cote

Treasurer - Bruce Hazen

Directors -Peggy Madison

Director -Phil Reed

Director -Julie Villani

This Board’s top priority is to represent our homeowners best interests. Please contact me if you any concerns that relate to the GVHA. All other matters should be directed to the office.

## FROM MANAGEMENT

We want all our residents to be aware that there have been several sightings of coyotes in Grand Valley. Please do not feed birds, cats, etc. as coyotes are looking for food. Aside from the fact that feeding “free” animals is against Grand Valley rules, coyotes are a danger to small pets. Do not tether your pets outdoors. Coyotes will dine on small dogs or cats. Please pick up after your pets wherever and whenever they leave a “present”. This includes the Reserve and along common areas too.

### MY BRAVE VALENTINE

By Roger Robicheau

Love makes such a part of what you are  
More precious are you than that Renoir  
You're the Valentine beyond each dream  
The glow of your heart's a true sunbeam

Your loving care reaches from afar  
When I awake you're my morning star  
These words that I use to want to say'

What you mean to me each night, each day  
As you serve our country with heartfelt pride

I pray that God will stay near your side

Your loyalty brings a smile to me

And I know your love shines constantly

To those who march with you, they are grand

I send each some love from their homeland

There's one more thing that I have to write

To keep in your heart both day and night

Please know that my love is so very true

My Brave Valentine, Oh Yes! That's You!

LADIES!

Yes, you too can join for a year of FUN!

The Red Hat Society is an international society dedicated to reshaping the way women are viewed in today's culture.

Our regalla (purple with red hats or red with purple hats on your birthday) makes us unique, and causes others to take notice of us and brings opportunities for some to ask questions and potentially join in.

Grand Valley has it's own, "Grand Valley Girls" and would like to continue to do so.

Join before March 31 and you are automatically entered to win a 2 night stay at the Gaylord Opryland Hotel in August.

If you are already a paid member, have no fear, you're already entered. As "Queen Mom" I welcome all of our ladies. Some of our events will include movies, lunches, plays, teas and more. Feel free to complete the form on the left or contact me to join.

## THE BIRTH OF A CANDY BAR

One PAYDAY, MR. GOODBAR wanted a BIT O' HONEY, so he took Miss HERSHEY behind the POWERHOUSE on the corner of CLARK and FIFTH AVE. He began to feel her MOUNDS with his BUTTERFINGERS. That was pure ALMOND JOY. It made her TOOT-SIE ROLL and he let out a SNICKER as she screamed "O HENRY," while squeezing his PETER PAUL. Miss HERSHEY said: "you are even better than the THREE MUSKATEERS". Soon she was a bit CHUNKY and nine months later had a BABY RUTH.

**Lance B.** - They gave us a fair price, then followed up with good work. It was raining the morning they were scheduled to work, but showed up shortly after the rain quit. They put as many people as possible on the project so they could still get my new roof on by the end of the day. My satellite dish got accidentally damaged during their work, but I called them and Joe came right out and paid me on the spot for the cost of the replacement dish. Excellent work, even better customer service!! I would definitely recommend Community Roofing for everyone's roofing needs!!

**Faye S.** - SATISFIED? That's an understatement! After being a contractor my entire life, this company rates at the top of professionalism!!! Additionally, my roof was completely intact after hurricane Irma passed over my home last night! Highly recommended!! Faye S. Harbor Cove, North Port, FL

**Bonnie W.** - I had 3 other estimates for my mobile home roof before I was lucky enough to have Joe come to my home. He was so professional & knowledgeable in explaining exactly what would be done in my roof replacement. The real bonus was he could save me a lot of \$\$ over the other quotes I had! The crew came today to do my roof & did a superior job! The quality of work is top notch. The men were all hard workers & friendly professionals. I would highly recommend this company to everyone!!

**Norman R.** - Had 4 roofing companies give me estimates for a roofover. Joe from Community Roofing came along, explained what he would do and answered all my questions, when he left all my worries were answered and he left me a neat estimate that had everything clearly outlined and no surprises.

Joe was great but would his crew deliver what he had promised. Feb. 21 2018 his 3 man roofing crew showed up on time and I could not be happier with the work they did, in no time things were getting done the 3 men all knew what they had to do and work was done as promised. When job was done I was asked if I wanted to go up and look at their work, it was better than expected. After they came off the roof they went around and picked up every last piece of left over materials leaving place spotless. I will recommend Community Roofing to my friends. Thank you to Joe and his crew.
